MyCoyote Self-Service Login & Password FAQ

For more information, and additional technical details, please see

- If you know your Coyote ID but forgot your Password and need to reset it, please visit the [IDMS Forgot Password](#) reset page.
- If you are an administrative user and your password expired, please visit the [IDMS Expired Password](#) reset page.
- If you have locked yourself out of IDMS site, please submit your request to [ITS Support Center](#).

- 1. I'm a new applicant for Admissions. Why haven't I received MyCoyote self-service account User ID and password yet?**

It can may take several two weeks following receipt of your application for Admissions to send you your User ID and password. This will be sent by e-mail or postal mail, depending upon the contact information provided. If you still have not received your login information after three weeks of submitting your application, we strongly recommend that you call or e-mail [Admissions](#) to confirm your contact information.
- 2. I'm a new applicant for Admissions. Why doesn't my login information work when I try to log into CSU Mentor?**

CSU Mentor is a site that handles applications for all CSU campuses and is not maintained by CSUSB. It has its own login information -- usually this consists of your e-mail address and a random assigned number. If you need help logging into CSU Mentor, please contact their support staff at E-mail: support@CSUMentor.edu or U.S. Toll-Free Hotline:1-800-GO-TO-XAP or [CSU Mentor](#) and select technical support.
- 3. Where can I find information about resetting MyCoyote Password?**

If you are an **administrative user** and forgot your Password and need to reset it, please call the ITS Support Center (77677) for assistance.

If you are a **student or applicant** and forgot your MyCoyote Password and need to reset it, please visit the [IDMS Forgot Password](#) reset page. If you have locked yourself out of the password reset site, please submit your request to [ITS Support Center](#).
- 4. Why, after I log in, do none of the links I click on do anything?**

This problem can be caused by a number of things. First, it may take about a minute for the links to work the first time. If after a minute, you still see no results, you may be using an incompatible web browser. Check our [System & Browser Requirements](#) page. If you are using a compatible browser, you may need to clear out your cache and cookies and restart. For instructions, please check our [Cache & Cookies](#) page.
- 5. Why do I get a message that says I am not authorized to view this page?**

If you are receiving the "Not Authorized" message after logging into the portal, simply close your current browser window and then bring up a new browser window to log back in. That should correct the problem. If the problem persists, please empty your cache (delete your temporary Internet files) and restart. For instructions, please check our [Cache & Cookies](#) page.
- 6. I can log in, but as soon as I click on anything, I get logged out and it tells me to log in again. If you're getting automatically logged out after clicking on a link, your account may be locked. Please submit your request to [ITS Support Center](#) and we can check this for you.**
- 7. Why am I getting a message that my Portal session has expired?**

This problem can occur if your computer's date and time are set incorrectly. Please check your system to make sure it is set to the correct date, time, and time zone. Also, if your computer has a checkbox to automatically update for daylight savings time, this should be checked. If the time, date, and time zone are correct, you may need to clear out your cache and cookies and restart. For instructions, please check our help pages.

FEES

The Registration Payment Procedures information is available beginning on [page 105](#) or visit the Bursar web site at: <http://fees.csusb.edu/>

CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or Student Accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.

FINAL EXAMINATION SCHEDULE A

MARCH 21 - 25, 2017

A final examination has been scheduled for each class. For classes scheduled at the Palm Desert Campus, see instructor for day and time of the final exam. In courses extending over more than one term, the examination in the concluding term may also cover work done in the preceding term or terms. Examinations may not be taken before or after the scheduled period nor may the time of an examination be changed without authorization by the corresponding college Dean. Permission to take a final examination with a different section of the same course may be granted by the appropriate college Dean with the consent of the instructors concerned. Failure to take or to pass any final or other course examination will result in such deficiencies as instructors may assign.

The final examination for classes meeting at times other than those listed will be arranged by the instructor and will take place during the time period of March 21 – 25, 2017

CHICANO(A)/LATINO(A) STUDIES

College of Social and Behavioral Sciences
(909) 537-5512, SB-445
<http://faculty.csusb.edu/ethnic/index.html>

Coordinator: Dr. Elsa Valdez

Chicano(a)/Latino(a) Studies provides an interdisciplinary curriculum and is designed to provide an awareness, knowledge, and appreciation of the Chicano(a)/Latino(a) experience. The minor addresses issues of language, history, culture, politics, economics, education, immigration and the creative expression of the Chicano(a)/Latino(a) presence in the United States. This new minor will greatly enrich any student's undergraduate degree. Its goal is to extend knowledge relevant to this growing ethnic group by examining its experiences in a social context and its interdependence with other populations by addressing interracial, intercultural, and international understanding. This new minor provides students with an essential understanding of the Chicano(a)/Latino(a) culture and will enable them to succeed in a diverse society. The minor is housed in the Ethnic Studies Program, which also has a new concentration in Chicano(a)/Latino(a) Studies. For more information, please call Elsa Valdez (Ethnic Studies Coordinator, Professor Elsa Valdez at 909-537-5512 or call the Dean's office in the College of Social and Behavioral Sciences at 909-537-7500.

CHICANO(A)/LATINO(A) STUDIES

Liberal Studies: General Track with a concentration in Chicano(a) Studies

The Bachelor of Arts in Liberal Studies is a multidisciplinary degree program designed for students whose needs or interests require a more broadly based liberal arts curriculum than is possible through existing disciplines. It is also intended to prepare students to teach in the elementary classroom, though the program is open to everyone. The Chicano(a) Studies Concentration will help broaden students' understanding of, and deepen their sensitivity to, the ever-increasing diversity of the region, and, in turn, prepare future teachers to reach out to their own students in meaningful ways. For more information, please call Professor Katherine Thomerson (Liberal Studies Coordinator) at 909 537-5857 or call the Dean's office in the College of Arts and Letters at 909-537-5800.

GENDER AND SEXUALITY STUDIES

College of Social and Behavioral Sciences
(909) 537-5255, SB-209M
<http://gendersexuality.csusb.edu/>

Coordinator: Dr. Todd Jennings

CSUSB offers both a minor and certificate program in Gender and Sexuality Studies. The aim of both programs is to prepare students, through the study of gender and sexuality, with insights, knowledge, and interpretive frameworks that will equip them personally, intellectually, and professionally. The programs allow students to examine how gender and sexuality as social constructs shape individual lives, groups, institutions, and social structures. Students will have the opportunity to examine individual development, couples, families, small groups, and organizations as well as the media, arts, and economic and political systems. A description of the program is available on the program website at <http://gendersexuality.csusb.edu/> and in the annual *Bulletin of Courses*. For more information, contact the program office located in SB-209M, or at (909) 537-5255, or e-mail Dr. Todd Jennings (Program Coordinator) at tjennin@csusb.edu.

LATIN AMERICAN STUDIES

College of Arts and Letters
(909) 537-5858, UH 201.44
<http://anthropology.csbs.csusb.edu/majorsPrograms/>

Coordinator: Dr. Antonieta Gallegos-Ruiz

The Latin American Studies minor program provides students with the opportunity to explore a wide range of subjects relating to the Western Hemisphere through an interdisciplinary curriculum that draws from the Colleges of Arts and Letters, Business and Public Administration, Education, Social and Behavioral Sciences, and Natural Sciences. The focus of the program adds an international perspective to any major. It offers physical and virtual resources to students and faculty interested in this area of the world. The Latin American Studies minor program can make a student more marketable as he/she gains more knowledge in areas of concern for today's global community. For further information, contact Dr. Antonieta Gallegos-Ruiz, Latin American Studies Coordinator, UH-201.44, at (909) 537-5858. Ask about CSUSB's International Programs.

SERVICE LEARNING

Director: Dr. Diane Podolske

The Office of Community Engagement promotes partnerships among students, faculty, staff and community members to improve the quality of life in our communities. One of the strategies used to achieve an improved community is service learning. Service learning combines academic learning objectives with meaningful work in the community. Students participating in service learning provide direct service to nonprofit and public organizations as a part of their requirements for academic credit, while faculty help them understand the connection between the tasks they perform and the academic course work. For example, health science students conduct health fairs and test homes for environmental hazards, sociology students help troubled teens to learn life skills, biology students supplement public schools with science demonstrations, etc. Students benefit from service learning courses through:

- hands-on use of skills and knowledge from a course
- interaction with people of diverse cultures and life-styles
- leadership development opportunities
- gaining valuable career experience

ADDS REQUIRING PERMITS

- (1) Classes needing Dept Consent
- (2) Classes requiring pre-requisites
- (3) Closed Classes

(1) Classes Needing Department Consent:

When the registration systems inform you that a department permit is required for a class your are trying to register for, please see the department of the class for permission to register for it. Departments will first check that you meet the requirement for the class before placing the permit onto your records. This may include student level, pre-requisites, GPA or classification. (Footnotes for requirement such as these are noted for each class, following the section number, in the list of available classes, in the class schedule. Please refer to the “Footnotes” for explanations of these).

(2) Classes Requiring Pre-requisites:

When registering for classes, the system may inform you (by error message) that pre-requisites are required for one or more of the classes. Please contact the department **of the class** for permission to register for the class. Departments will first check that you have met the pre-requisites required for the class before placing the permit (for permission) onto your records. This may include student level, GPA, and/or completion of required courses. Footnotes for requirements such as these are noted for each class, following the section number, in the list of available classes, in the class schedule. Please refer to the “Footnotes” for explanation of these.

(3) Closed Classes

When a class reaches its maximum enrollment it is then considered “closed” to other registrants. After obtaining department permission (dept consent/pre-requisites **when required**), students who have compelling reasons for being admitted to a **closed** class must also obtain approval from the instructor and department chair **of the class for possible** permission to register over the maximum enrollment. Once classes begin, follow these steps: (1) Complete the Add/Drop Slip; (2) obtain the signatures of the instructor and chair; and (3) bring the Add/Drop Slip to the Office of the Registrar in UH-171 with your student I.D. **CLOSED COURSES CANNOT BE ADDED OVER *MyCoyote*.**

NOTE! It is the student’s responsibility to officially register for a class with an Add Slip containing the appropriate signatures to the Office of the Registrar. Instructors cannot “add” a class to your class schedule by adding your name to the class roster! Official registration for a class must be initiated by the student, by following the procedures listed above.

Deadline Dates for Permitted and Closed Classes:

► **Class is open**

Before classes begin: (Jan. 9, 2017)

After department permission has been granted, use the on-line registration system (*MyCoyote*) to add the course .

Jan. 9 - 13 (1st week of classes):

After department permission has been granted, use the on-line registration system (*MyCoyote*) to add the course through January 13th.

REGISTRATION

Jan. 17 - 23 (2nd week of classes):

Adding classes or registering for the first time will now require permission from the instructor **on an add slip**, and processed either with the department secretary of the class or processed at the Office of the Registrar in UH-171.

Jan. 24 - 30 (3rd week of classes):

Adding a class or classes in the third week requires permission from the instructor and the department Chair of the class, on an add slip and processed at the Office of the Registrar in UH-171.

► **Class is closed:**

Jan. 9-30 (1st three weeks of classes):

After obtaining departmental approval, students who have compelling reasons for being admitted to a closed class must also obtain **permission** from the instructor AND department chair of the class once classes begin. To add: refer to the information listed below under "Closed Classes". **Closed courses cannot be added without permission.**

Last Day To Add by Permission or By Permit (Census): Jan. 30, 2017

By permission with Add Slips:

Bring approved Add Slips to the Office of the Registrar in UH-171. Add Slips will **not be honored after the Census date**. However, courses requiring "department consent" or "prerequisites not met" will require that you receive a permit from the department of the class prior to being registered for the class.

By department issued permit:

Contact the department of the class for a permit to register. Once the permit has been placed, you will be able to register for the class over *MyCoyote* through Census. Registration for a permitted **class** will not be allowed over *MyCoyote* after Census.

BE ADVISED: Instructors cannot "add" a class to your class schedule by adding your name to the class roster! Official registration for a class must be initiated by the student, by following the formal registration procedures.

Furthermore, drops after the Census deadline will require the signatures of the class instructor, department chair and the college dean of the student's major. **A grade of "W" will be assigned after January 30, 2017.**

Requests to drop a class after the Census deadline will not be considered beyond the 8th week of classes. For the Winter quarter, this date will be March 6, 2017. It is the student's responsibility to verify their class schedule prior to the Census deadline as they will receive a grade for every course in which they are shown to be officially registered. ***It is also the student's responsibility to withdraw (drop) by the Census deadline from any class(es) which they do not plan to attend and complete.** Although an instructor may initiate to drop a student from a class based on the Administrative Drop Policy, students should not assume that the instructor would drop anyone from a class. (Refer to the University Bulletin for information regarding the Administrative Drop Policy).

CANCELLATION OF REGISTRATION OR WITHDRAWAL FROM THE UNIVERSITY

**After Census, January 30, 2017
A grade of "W" will be assigned.**

NEW POLICY: Beginning Fall quarter 2009, undergraduate students may not exceed 28 quarter units of withdrawals (grade of "W"). Withdrawals completed prior to Fall 2009 are not included in that total. This limit applies only to courses taken at CSUSB, including courses taken through Open University, the College of Extended Learning and special session. The policy will be available at www.ugs.csusb.edu/advising.

Students who find it necessary to cancel their registration or to *withdraw from **all classes** after enrolling for any academic term are required to follow the University's official withdrawal procedures. **Failure to follow formal University procedures may result in an obligation to pay tuition fees as well as the assignment of failing grades in all courses and the need to petition for re-admission before being permitted to enroll in another academic term.** Information on withdrawal procedures is available from the Office of the Registrar, UH 171 and/or phone 909-537-5200.

Students who receive financial aid funds must consult with the Financial Aid Office prior to withdrawing from the University regarding any required return or repayment of grant or loan assistance received for that academic term or payment period. If a recipient of student financial aid withdraws during an academic term or a payment period, the amount of grant or loan assistance received may be subject to return and/or repayment provisions.

WITHDRAWAL FROM THE UNIVERSITY AFTER CENSUS

1. A drop or withdrawal will not be permitted after the Census deadline, January 30, 2017, **except in cases involving accident or illness (physical or mental), serious personal or family problems, military transfer, or substantial change in employment during the term.**
2. Through the 8th week of class instruction (March 6, 2017), report to the office of the college of your major to begin the process. Undeclared students will need to report to the Office of Academic Services in UH-380 and unclassified graduate students report to the office of Graduate Studies in CH-123. Picture ID is required.
3. **A GRADE OF "W" WILL BE ASSIGNED** for approved drops and withdrawals occurring after the census date, January 30, 2017. A grade of "W" is not used in calculating grade point average or progress points but will retain fees.
4. **A GRADE OF "WU" WILL BE ASSIGNED** (Withdrawal Unauthorized) if and when a student fails to officially drop from a class or classes by the Census dateline. This is graded equivalent to an "F" and will retain fees.
5. **Withdrawing in the 9th and 10th week of class instruction (March 7 - 20)** is not permitted unless extenuating circumstances beyond the student's control have occurred. Undergraduate students must petition with the Office of Advising and Academic Services, UH-380. For graduate, credential and post-baccalaureate students, please report to the Office of Graduate studies CH-123. Supporting documentation is required.

STUDENT FEE DEADLINE FOR CREDIT/REFUND INCLUDING NON-RES TUITION

Regulations governing the refund of mandatory fees, including nonresident tuition, for students enrolling at the California State University are included in 41802 of Title 5, California Code of Regulations. For purposes of the refund policy, mandatory fees are defined as those system wide fees and campus fees that are required to be paid in order to enroll in state-supported academic programs at the California State University. Refunds of fees and tuition charges for self-support programs at the California State University (courses offered through the College of Extended Learning) are governed by a separate policy established by the University.

- January 6, 2017 is the deadline to **cancel, drop or withdraw from all classes prior to the first day of classes** including students with non-resident tuition and receive a full refund of mandatory fees, excluding non-refundable fees.
- January 30, 2017 is the deadline to **reduce units from full time to part time** and receive a 100% difference in tuition fees including students with non-resident tuition. A reduction in units from full time to part time after January 30, 2017, does not create a credit or refund.
- February 22, 2017 is the deadline to **withdraw from all units** and receive a pro-rated refund excluding non-refundable fees.
- Procedure and deadline information for canceling registration and dropping classes is available in the Records, Registration and Evaluations section of the Class Schedule.

Note: Application, Late Registration, ID, IPP and Administrative Fees are non-refundable.

For state-supported semesters, quarters and non-standard terms of course of four (4) weeks or more, a student who withdraws during the term in accordance with the University's established procedures will receive a refund of mandatory fees, including nonresident tuition, based on the portion of the term during which the student was enrolled. **No student withdrawing after the 60 percent point in the term is entitled to a refund of any mandatory fees or nonresident tuition.**

For state-supported semesters, quarters and non-standard terms of course of less than four (4) weeks, no refunds or mandatory fees and nonresident tuition is made unless a student cancels registration, reduces units or withdraws from all classes prior to the first day in accordance with the University's established procedures and deadlines. It is each student's responsibility to formally withdraw from classes and meet the conditions described above to receive a refund. Please be sure to update current mailing address on *MyCoyote*. Refunds are typically processed within 10 business days. Registration fees paid by check or credit card not considered valid until the bank has cleared the payment. Refunds for payments made by check require a copy of the student's canceled check; otherwise, it may take up to five weeks before Accounting receives confirmation from the State that the student's check cleared.

Information concerning any aspect of the refund of fees may be obtained from Student Financial Services Office located in UH Room 034 or by phone at 909-537-5161.

REGISTRATION PAYMENT PROCEDURES

Students will also receive a refund of mandatory fees, including nonresident tuition under the following circumstances:

The tuition and mandatory fees were assessed or collected in error;

The course for which the tuition and mandatory fees were assessed or collected was cancelled by the University;

The University makes a delayed decision that the student was not eligible to enroll in the term for which mandatory fees were assessed and collected and the delayed decision was not due to incomplete or inaccurate information provided by the student; or

The student was activated for compulsory military service.

Students who are not entitled to a refund as described above may petition the University for a refund demonstrating exceptional circumstances.

Information concerning the refund policies of California State University, San Bernardino for the return of unearned tuition and fees or other refundable portions of institutional charges is available from the Office of Accounting, 5500 University Parkway, San Bernardino, CA 92407, 909-537-5153 and through the internet at: <http://sfs.csusb.edu/refundsAndDropDeadlines/index.html>

FEES AND DEBTS OWED TO THE INSTITUTION

Should a student or former student fail to pay a fee of a debt owed to the institution, the institution may “withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing debt” until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).

Prospective students who register for courses offered by the University are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register or to receive official transcripts of grades or other services offered by the institution from anyone owing fees or another debt to the institution. If a person believes he or she does not owe all or part of an asserted unpaid obligation that person should contact the Director of Accounting. The Director of Accounting will review all pertinent information, provided by the person and other campus offices and advise the person of its conclusions.

In addition the failure to pay the amount due may result in a referral of the debt to an outside collection agency and/or credit reporting agency; offset against amounts due from the State of California; and/or legal action. The student is responsible to pay all attorney fees and court costs.

FINANCIAL AID DISBURSEMENT

WINTER 2017

Disbursements are scheduled as early as is permitted by federal regulations and are contingent on your file status and enrollment. At Cal State San Bernardino, the earliest possible disbursement date each quarter is ten (10) days prior to the first day of classes (exception: Winter Quarter earliest date for disbursement begins first business day of new year); thereafter, disbursements occur on a weekly basis each quarter. In addition, you must allow additional processing days for direct deposits to occur or for paper checks to be received by U.S. mail. Below is more important information about disbursements:

ENROLLMENT REQUIREMENTS FOR AUTOMATIC DISBURSEMENT

Your initial financial aid offer is an estimate and is based on full-time enrollment. The amount of funds disbursed to you is based on your financial aid file status (for example, no financial aid holds, file must be complete, etc.) and your actual number of enrolled units:

- You may view your file status online at <https://mycoyote.cms.csusb.edu/> > Self Service>Student Center> and then below “Finances” click on “View Financial Aid,” then click on appropriate aid year.
- If you are enrolled full-time, your financial aid will automatically “authorize” and “disburse” to your account, e.g. 12 units undergraduate and Credential/2nd BA students and 8 units for graduate students.

DISBURSEMENT FOR LESS THAN FULL-TIME ENROLLMENT

If you plan to be enrolled less than full-time for the 2017 Winter Quarter, some aid types may be prorated to reflect a reduced unit load. Final financial aid adjustments are determined after quarterly census:

Winter 2017 – **Monday, January 30, 2017**

Thinking about Dropping ALL of your Classes? Did you receive Federal Financial Aid? Perhaps you should do some research on R2T4!!!

Federal Financial Regulations are very strict concerning dropping out of all of your classes after receiving Financial Aid grants (Pell, SEOG, Cal Grant, State University Grant, Middle Class Scholarship, TEACH Grant and loans). If you drop all classes on or prior to the 60% mark of the session, you will owe a “Return to Title IV” (R2T4) refund based on the chart of percentages below.

When will the refund be due?

Once your repayment has been calculated, you will have 45 days to repay the funds. You cannot repay these funds with future financial aid. You must repay the amount due prior to receiving Federal Financial Aid, again.

What can I do?

Make an appointment to meet with your Financial Aid Advisor. Visit the FAO in University Hall at UH-150, or call 909-537-5227 to make an appointment.

Show me an example, please!

UNDERGRADUATE ACADEMIC ADVISING

California State University, San Bernardino is full of resources designed to ensure that students have the opportunity to meet their full potential. Advising is one of those resources. During advising sessions students are encouraged to ask questions regarding major specific scholarships, internships, career goals as well as discussing course selection. Faculty, staff and peer advisors are available to assist students by providing academic advisement during office hours or by appointment.

If you are wondering how your department handles advising, visit the Advising and Academic Service website (<http://www.csusb.edu/advising>) and plan to work with your advisor on a quarterly basis. Be sure to print your Program Advising Worksheet (PAWS) and bring it with you to all advising sessions.

STEPPING INTO SUCCESS

1. Review the campus Bulletin (<http://bulletin.csusb.edu>) - The Bulletin lists all campus policies. Be sure that you use this as your reference guide as it will be your responsibility to stay abreast of important deadlines and requirements.
2. Print your Program Advising Worksheet (PAWS) - Your PAWS is your guide to which courses need to be completed for graduation. Be sure you are using this each time you and your advisor select courses.
3. Register for classes - This is done through your *MyCoyote* account. Be sure to click the "Finish Enrolling" button for all courses selected. It is a good habit to review your class schedule immediately after you register for classes. Please remember it is your responsibility to drop any unwanted classes. Do not assume that instructors will drop you.
4. Check your campus email regularly - This is the campus' primary method of communicating with students. If you are unsure what your campus email address is listed as call the Help Desk (909) 537-7677.
5. Check the Advising and Academic Services website (<https://www.csusb.edu/advising>) for academic advising resources, tutoring locations, study skills help, advising tips, videos, degree roadmaps, and more.

All new students for Winter 2017 must take the ELM/EPT (if necessary) prior to registering for the appropriate Mathematics and English classes for Winter Quarter, 2017, per CSU Executive Order 665.

- Take the ELM (Entry Level Mathematics) and the EPT (English Placement Test);
- Register for the appropriate Mathematics and English course based on your placement test scores;
- You **must** continue to register every quarter for both Mathematics and English courses until you have completed the General Education basic skills requirements. **Academic regulations in the Bulletin state that “Students must complete remediation in Mathematics and English composition during their first year of enrollment. Failure to meet these requirements will result in the ending of matriculation at CSUSB”.**
- If you do not take the ELM and/or EPT and do not enroll in a Mathematics or English course, you will be denied access to registration for Winter Quarter 2017.

HOW DO I REGISTER FOR THE ELM/EPT?

Registration website is www.ets.org/csu

HOW DO I KNOW WHICH MATH OR ENGLISH COURSE TO TAKE ONCE I RECEIVE THE RESULTS OF MY ELM AND EPT PLACEMENT TESTS?

Advising and Academic Services

(909) 537-5034, UH 380
<https://advising.csusb.edu>

Grievance Policy Information

Questions regarding the Student Academic Grievance Procedure are available from Advising and Academic Services, UH Room 380, (909) 537-5034, or from the <http://advising.csusb.edu/policies-procedures/grade-appeals/>.

A student may appeal a final course grade or a grade on a Comprehensive Examination or a project (e.g. art exhibition) or thesis required for graduation. An appeal may be initiated on the basis of:

1. Clerical error
2. Capricious or prejudicial evaluation
3. Inconsistent or inequitably applied standards for evaluation

Students may also appeal other types of academic decisions. These include, but are not limited to:

1. Denial of Admission to or Dismissal from a course, major or program.
2. Placement on Academic Probation
3. Suspension or Dismissal from the University

A simple allegation or unsubstantiated assertion is an insufficient basis for lodging a formal complaint. Students must support their allegations with evidence compelling enough to give the Academic Grievance Committee reason to hold a formal hearing.

They may, however participate in the CSU Intrasystem Concurrent Enrollment Program or the UCR/CSUSB Cross Registration Program but must be concurrently enrolled in (and complete) at least 12 units at CSUSB and may only enroll in upper-division courses that are not offered at CSUSB. Graduation Requirement Check

Students must request a graduation requirement check at the Office of the Registrar (UH 171) prior to the end of the term of their expected graduation. To avoid late fees, the graduation check should be filed by the established deadlines. Note that the **deadline is the first business day of the months listed below**. To be eligible to file the grad check, undergraduate students must have completed 135 quarter units towards their degree. This may include current work in progress.

<u>Filing Date</u>	<u>Graduation Term</u>

The fee for filing the grad check is \$25 per major, minor, concentration, option, plan, specialty or track. If the grad check is filed after the deadline, an additional \$20 late fee, per major, minor, concentration, option, plan, specialty or track will be charged. Students who do not complete the requirements in the term for which the grad check was filed, must re-file and pay a \$20 re-file fee for a second grad check, per major, minor, concentration, option, plan,

specialty or track. If the re-filed grad check is filed after the deadline date, an additional \$20 late fee, per major, minor, concentration, option, plan, specialty or track, will be charged. Access to subsequent registration will not be allowed until the grad check has been re-filed.

The Office of the Registrar will mail the official Graduation Requirement Check to the address listed on the Grad Check request form.

However, if the request specifies inclusion of grades just earned or verification of a degree just awarded, two or three weeks must be allowed beyond the end of the quarter for a transcript to be issued. No transcript will be released if there is a transcript service indicator hold. The student is responsible for resolving the hold prior to submitting a transcript request. Measles/Rubella, Hepatitis B, and Meningitis Immunization Policy

All new students and students applying for re-admission born after January 1, 1957 must present proof of measles and rubella immunizations to the Student Health Center. The *Hepatitis B vaccine series is **required** of first time enrollees under the age of 19. However, you may be exempt for both of these requirements, if you've graduated from a California Public School during or after 2005.* Meningitis (Menactra) vaccine is **highly recommended** for students living on campus.

Measles/Rubella

This vaccine is usually referred to as the Measles, Mumps, & Rubella immunization or MMR. For currently enrolled students who are unable to obtain acceptable proof of the immunization, the Student Health Center will provide the immunization.

Hepatitis B

If you do not have proof of the Hepatitis B series (3 vaccinations) these are also available.

Meningitis

This is not a required immunization for registration; merely highly recommended for students living in the dorms.

Please Note: There are fees for each of the immunizations.

If you'd like to receive any of the above immunizations from the Student Health Center, please call (909) 537-5241 or visit <https://healthcenter.csusb.edu/> to schedule an appointment. If you have health insurance, we recommend that you check to see if these vaccines are covered under your health plan and if so, obtain the vaccines at your private providers' office. For specific information or if you have questions about the required immunizations, please call the Immunization Hotline at (909) 537-7356, visit us at <http://healthcenter.csusb.edu/> or call the Student Health Center at (909) 537-5241.

Administrative Drop

Faculty members may initiate an administrative drop of a student in their courses based on any one of the following criteria.

Lack of attendance: Students who fail to attend two consecutive class meetings during the first three weeks of the term without contacting the faculty member or making special arrangements may be dropped.

Prerequisites not met: Students who are unable to show completion of required courses or who do not have the background needed to succeed in the course may be dropped.

Not admitted to the major: Students who have not been formally admitted to certain major programs will be dropped from courses that are open only to declared majors in that program. To remain in such classes, permission of the instructor may be required.

It is important to note that neither undergraduate students nor graduate students should assume that the instructor will process an administrative drop. Students are responsible for making sure that they are enrolled only in those classes they intend to complete.

Attending Classes

1. No student may attend classes until his/her registration has been completed.
2. Regular attendance is expected of all students enrolled at the University. The instructor of each class sets specific standards expected of students.
3. A student absent from class is responsible for arranging to make up missed class work and assignments if the instructor of the class allows for such make-up work to be done.

Auditing Courses

Enrollment in any course as an auditor shall be permitted only after students otherwise eligible to enroll in the course on a credit basis have had an opportunity to do so and only upon consent of the instructor. Auditors are subject to the same fee structure as credit students, and regular class attendance is expected.

Credit for courses audited will not subsequently be granted on the basis of the audit. Transcripts are not issued for audited courses. Once enrolled as an auditor, a student may not change to credit status unless such a change is requested within the first week of class and is approved by the instructor. Students registered for credit may change their status from that of an enrolled student to that of an auditor with the approval of the instructor concerned and within the first three weeks of class. Forms for such changes may be obtained at the Office of the Registrar in University Hall 171.

Course Overload Permits

In order to exceed the maximum units allowed per quarter, a student may request permission to overload units (Course Overload Permit) with the College Dean of the students' major. In order to be considered, students must be eligible by having both a grade average for the previous term of 3.0 or better and an overall grade-point average of 3.0 or better. Approved Course Overload Permits will be accepted at the Office of Registrar beginning on the first day of late registration, for processing. Additional registration and tuition fees must be paid and **HOLDS** must be cleared PRIOR TO SUBMITTING A REQUEST TO OVERLOAD FOR PROCESSING.

To enroll with an overload, follow these steps:

1. Obtain the approvals (signature) of the instructor and department Chair (of the course) for the course that will constitute the overload if the class is closed. If the class is open for enrollment, and prior to classes starting, proceed to step two (2).

Closed courses **without** an instructor's and Chair's approval will not be added to your class schedule. Courses are subject to the regulations set by the CSUSB Add Policy. Please refer to the class schedule for procedures and deadlines under "ADDS REQUIRING PERMITS".

2. **Obtain the authorized signature of approval from the College Dean.**

Declared undergraduates see the dean of the college of your major for approval.

Undeclared undergraduates see the Dean of Undergraduate Studies for approval.

Classified graduates and post-baccalaureates see their graduate coordinator for approval.

Unclassified graduates and post-baccalaureates see the Dean of Graduate Studies for approval.

3. **Once approved**, take the overload permit card, and picture I.D. to either the Office of the Registrar (UH-171) or the office of the college dean of your major for processing, once late registration begins.

Credit By Examination

A matriculated student may petition to receive course credit by examination. In this manner a student who already possesses the skills or knowledge of the ideas and concepts of a course can accelerate progress through the University. The following steps must be taken:

1. Student must register for the examination in the office of the college or department concerned before the first day of classes of the quarter in which the course is offered.

2. Student must complete the examination within the first two weeks of the quarter. (**NOTE:** Students may NOT enroll in a course they plan to challenge. If the challenge is unsuccessful, the student may add the course subject to the regulation for adding a class).
3. Credit by examination may only be taken by students currently enrolled as regular matriculated students in courses other than the one to be challenged.

Consult the current Bulletin of Courses for regulations governing credit by examination for undergraduates, post-baccalaureate students and graduate students.

2. Contact University Police at extension 75165 and a CSO will be dispatched to pick-up the article from your location.

If you have lost any personal property (keys, books, wallets, etc.) while on campus during business hours, please contact CSUSB Lost and Found Property Desk at extension 73782 to file a Lost Property Report. If the article is turned in, a CSO will contact you to set up a time for pick-up.

Lost and Found Property Hours

Monday - Friday: 8:00 am to 5:00 pm

Skateboard and Bicycle Policy

The use of skateboards on campus is prohibited. Additionally, riding bicycles will be generally prohibited on all connecting walkways in the campus core. Affected areas will be clearly posted. This measure was taken because of system-wide liabilities resulting from bicycle/pedestrian collisions.
