The Public Administration Department at California State University, San Bernardino provides student centered learning that prepares students to become effective public service and nonprofit professionals and community members. We serve students and communities, primarily from the Inland Empire region of Southern California and surrounding areas through enhancing the knowledge of public affairs, administration, and policy of a highly diverse population. We are committed to teaching ethical behavior, democratic values and the practical complexities of governance. To sustain and constantly enrich our educational offerings, we support faculty efforts to remain current in their fields and to develop and disseminate knowledge of public administration and pedagogy through applied and basic research.
