Looking for a PL Room Number?

The John M. Pfau Library is only PART of the PL building. The library occupies floors 3-5, but shares the basement and floors 1 and 2 with other campus departments and facilities.

The second floor is particularly confusing, being divided into three parts which do not connect with each other. This map shows the small portion of the second floor belonging to the John M. Pfau Library.

ROOM NUMBERS IN THE JOHN M. PFAU LIBRARY

BASEMENT	PL-XX
FIRST FLOOR	PL-1XX; PL-10XX
