LETTER FROM THE CHANCELLOR

Dear Class of 2024:

Please accept my warmest and most heartfelt congratulations on achieving a truly momentous goal in your life. Just a few short years ago, you set your sights on earning a degree. Now, that goal is a reality. I hope you feel a well-earned sense of pride.

Even as numerous forces upended our world, you held firmly onto your dreams and persisted in your studies through challenges none of us could have foreseen or imagined. By necessity, you have developed and honed attributes that will benefit you for a lifetime. Your resilience and adaptability will become career strengths. Your creativity and resourcefulness will define you. Your courage and determination are, in my eyes, already legendary.

Moving forward, you will face new opportunities with the potential for great success. I am sure that you will excel because you have the knowledge, skills and connections gained through your California State University education.

Your personal and educational transformation was aided by faculty, who trained you to look at the world with a critical eye and an open mind. Their efforts were supported by the work of your counselors, advisors, librarians, tutors and coaches who created an encouraging environment for you to succeed. All the while, your family, friends, colleagues and loved ones kept you motivated and saw you through your academic journey.

Your accomplishment today fills all of them – all of us – with pride.

You are now part of a network of over four million CSU alumni who are powering the social and economic prosperity of our state – and far beyond. You join fellow alumni who are solving our greatest challenges, educating the next generation, fighting for equality, and creating new opportunities for economic prosperity.

I encourage you to stay connected to the CSU. Use these connections – both to your university and to other CSU alumni – to expand your opportunities and make a meaningful impact on your community and the world. I also encourage you to support the generations who endeavor to follow in your footsteps.

The word we use to commemorate an earned university degree is “commencement.” This is, of course, deliberate. Today is not an end, but rather a beginning. And as you continue on your life’s journey, may your hard work and sacrifices pay dividends far beyond today’s celebration, both in your life and in the lives of those around you.

Congratulations, California State University Class of 2024! I look forward to all that you will accomplish.

Felicidades!

Warmly,

A handwritten signature in cursive script that reads "Mildred García".

Mildred García, Ed.D.

Chancellor

LETTER FROM THE PRESIDENT

Dear Graduates:

Congratulations, and welcome to the 2024 California State University, San Bernardino Spring Commencement at the Toyota Arena in Ontario. I am excited to join you all at our ceremonies on May 17 and 18, honoring those graduating from the College of Arts and Letters, Jack H. Brown College of Business and Public Administration, James R. Watson and Judy Rodriguez Watson College of Education, College of Natural Sciences and College of Social and Behavioral Sciences.

We are grateful that we can celebrate today, together with family and friends, the significant milestone Commencement represents. You have all worked incredibly hard, and your commitment and persistence have paid off. Attaining a college degree is a defining achievement that serves as a source of inspiration and satisfaction, made all the more special if you are the first in your family to graduate from college.

As you have pursued your degree at CSUSB, you've grown intellectually, creatively and professionally. You've had the opportunity to explore new paradigms, disciplines and cultures; to discover and create meaning in new ways; and to apply a variety of perspectives to problem solving. These are noteworthy accomplishments, and they will always be yours and part of your personal history.

You are here today as the direct result of your focus and dedication. These qualities will serve you well into the future as you establish a life filled with rewarding work along with engagement in your community and the wider world. You can take great pride in this success as you join over 120,000 other distinguished alumni who call CSUSB their alma mater and who are using their talents to make a difference.

It is my distinct honor to congratulate you in person as you walk across the stage today, and to applaud your extraordinary achievements. I wish you the very best as you move on to pursue your personal and professional aspirations.

A handwritten signature in black ink, appearing to read 'TDM', written in a cursive style.

COMMENCEMENT SYMBOLISM AND TRADITION

Academic Regalia

Academic ceremonies with their gowns, mortarboards, tassels and hoods are colorful traditions handed down from European universities of the 14th century. Academic regalia have evolved from the robes, hoods and caps worn mainly for warmth in unheated buildings by the clerics, monks and priests who were the first students.

United States universities now have standardized the academic regalia so that their features are common throughout the country. The gown is ordinarily black for academic degrees. The pattern of the sleeves varies with the degree: short sleeves for the master's degree and round full sleeves for the doctoral degree. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and three bars of the same material across the sleeves. The color of the velvet on the sleeves also could be the color of the subject in which the degree was earned.

The hood usually is not worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctor's hood. The silk lining of the hood bears the colors of the institution from which the individual has graduated. The velvet binding or edging of the hood designates the academic major in which the wearer has taken his or her degree.

The field of study is indicated by the color of the velvet facing on the hood of all master's and doctoral degree holders.

Official Colors

The field of study is indicated by the color of the velvet facing on the hood of all master's and doctoral degree holders.

Some examples of doctoral hoods are listed below:

Arts and Letters	White
Business Administration	Drab
Education	Light Blue
Computer Science	Gold
Sciences	Yellow
Public Administration	Peacock Blue
Nursing	Apricot

Fields of study for the master's degrees offered at CSUSB are:

Master of Arts	White
Master of Fine Arts	Brown
Master of Business Administration	Drab
Master of Criminal Justice	Purple
Master of Education	Light Blue
Master of Public Administration	Peacock Blue
Master of Natural Sciences	Gold
Master of Social and Behavioral Sciences	Citron
Master of Social Work	Citron

The University Mace

The university mace is a ceremonial symbol of authority carried in academic processions at commencements. Originating in the Middle Ages, it once was a formidable weapon, held ready to protect the person of dignity.

The Cal State San Bernardino mace was designed and fashioned by Mark Petherbridge, B.A., art, 1985, with technical supervision from Roger Lintault, professor emeritus of art, 2000.

ALMA MATER

By Loren Filbeck, D.M.A.
Professor Emeritus of Music

Beneath the shimm'ring mountains,
Near sea and desert sand,
Our Alma Mater stands secure,
Truth's light held in her hand.
Her youth and energy we share
As we reach t'ward wisdom's door,
Her name we laud and gladly bear,
With pride our spirits soar.
San Bernardino, our Alma Mater,
We sing our praise to thee.
San Bernardino, as sons and daughters
We pledge faith and loyalty.

UNIVERSITY-WIDE HONORS AND DISTINCTIONS

Cum Laude, Magna Cum Laude and Summa Cum Laude

University honors at graduation are awarded to undergraduate students in three classifications based on all courses taken at California State University, San Bernardino and other institutions of higher learning. The minimum grade-point averages for recognition are: Summa Cum Laude 3.9, Magna Cum Laude 3.75 and Cum Laude 3.5. Candidates for degrees are listed with honors based upon their grade-point averages at the conclusion of the summer/spring quarters for degree purposes. Students who have earned university honors through winter are eligible to wear honors cords as a special mark of the distinction they have achieved.

Departmental Honors

Candidates who have earned Departmental Honors wear various color cords as a special mark of the distinction they have achieved.

CITATION TO ELLEN G. WEISSER

Doctor of Humane Letters

*California State University, San Bernardino
Commencement, May 18, 2024*

Ellen G. Weisser is a philanthropist, one of CSUSB's most distinguished graduates and the 2024 CSUSB Distinguished Alumna.

Born in New York, Ms. Weisser moved with her family to San Bernardino in second grade. She taught for ten years and was principal for two, leaving teaching in 1980 for her family's pharmacy business. In 1995, Mrs. Weisser and her husband Stan merged their pharmacies with eight others and formed Network Pharmaceuticals, Inc. They grew the company to 30 locations and sold it in 2000.

Ms. Weisser is a tireless advocate for CSUSB's students and the university. She currently serves as the honorary co-chair of "Our

Defining Moment," the \$200 million blended campaign launched in 2022. She is a founding member of the CSUSB Philanthropic Foundation Board and served as board chair for 15 years. She is currently on the foundation's investment committee. She is also the immediate past president of the College of Arts and Letters Community Leaders Board and is active in the Golden Grad Alumni program.

A strong supporter of performing arts at CSUSB, she established the Ellen Weisser Endowed Theatre Showcase, the first named sponsorship in the Department of Theatre Arts. She currently serves as chair of the theater campaign to raise \$10 million for the program. The Weissers' substantial gift to the forthcoming \$125 million-plus Performing Arts Center has led to the naming of the Ellen and Stan Weisser Performing Arts Foyer.

Ms. Weisser is fully engaged in the community and in 2017 was named the Redlands Chamber of Commerce Woman of the Year. She was instrumental in founding The Grove School, an innovative Montessori institution, and served on its board. Her other service has been wide-ranging and substantial.

Ms. Weisser attended UCLA, UCR and earned her undergraduate degree as part of CSUSB's second class, graduating with Academic Honors in English in 1968. She also attended graduate school at CSUSB for her teaching credential, and subsequently attended the University of Redlands for school administration.

In recognition of her many accomplishments and extensive contributions to the university and the community, the Board of Trustees of the California State University and California State University, San Bernardino are proud to confer upon Ellen G. Weisser the honorary degree of Doctor of Humane Letters.

CITATION TO RESPONDIA “DIA” S. POOLE

Doctor of Humane Letters

*California State University, San Bernardino
Commencement, May 18, 2024*

Respondia “Dia” S. Poole has spent a career in public service to the people of California, serving in all three branches of our state’s government. She has combined that work along with volunteer service on the CSU statewide Alumni Council, where she has twice led as president. She was named Cal State San Bernardino’s Alumni Advocate of the Year in 2008.

Ms. Poole credits her CSUSB bachelor’s degree, earned as a nontraditional student, for opening opportunities for meaningful state-level public service. Her acceptance into the prestigious California Capital Fellows program in Sacramento

launched her career in California government. She was a highly regarded senior policy consultant to two of the State Assembly’s presiding leaders. She received a gubernatorial appointment to deputy director of public affairs for the Department of Fair Employment and Housing, the largest state civil rights agency in the nation. Ms. Poole’s state service culminated as senior legislative advocate for the Judicial Council’s Office of Government Affairs. Her efforts were particularly significant for the Inland Empire, where the Superior Courts of San Bernardino and Riverside counties are the most under-resourced in the state.

Ms. Poole’s volunteer service is equally impressive. She is known throughout the CSU system as a well-respected alumna whose unwavering volunteer leadership for more than 20 years has helped to strengthen the CSU degree, increase state and federal investments in students and academic programs, and improve graduation rates.

Her record of extraordinary volunteer leadership for the betterment of her own alma mater and its students is extensive. Underrepresented students often lack accomplished professional role models, which makes her involvement especially impactful. As a member of the CSUSB Philanthropic Foundation Board’s Advocacy Committee, Ms. Poole joins the campus delegation annually in Sacramento and often in Washington, D.C. Her personal philanthropic support to the university is demonstrated by her legacy, or estate, gift to CSUSB.

She is a two-time CSUSB graduate, with a BA in business administration and information management (1990) and an MA in communications studies (2023).

In recognition of her many accomplishments and extensive contributions to the university and the community, the Board of Trustees of the California State University and California State University, San Bernardino are proud to confer upon Respondia “Dia” S. Poole the honorary degree of Doctor of Humane Letters.
