LETTER FROM THE CHANCELLOR

Dear Class of 2024:

Please accept my warmest and most heartfelt congratulations on achieving a truly momentous goal in your life. Just a few short years ago, you set your sights on earning a degree. Now, that goal is a reality. I hope you feel a well-earned sense of pride.

Even as numerous forces upended our world, you held firmly onto your dreams and persisted in your studies through challenges none of us could have foreseen or imagined. By necessity, you have developed and honed attributes that will benefit you for a lifetime. Your resilience and adaptability will become career strengths. Your creativity and resourcefulness will define you. Your courage and determination are, in my eyes, already legendary.

Moving forward, you will face new opportunities with the potential for great success. I am sure that you will excel because you have the knowledge, skills and connections gained through your California State University education.

Your personal and educational transformation was aided by faculty, who trained you to look at the world with a critical eye and an open mind. Their efforts were supported by the work of your counselors, advisors, librarians, tutors and coaches who created an encouraging environment for you to succeed. All the while, your family, friends, colleagues and loved ones kept you motivated and saw you through your academic journey.

Your accomplishment today fills all of them – all of us – with pride.

You are now part of a network of over four million CSU alumni who are powering the social and economic prosperity of our state – and far beyond. You join fellow alumni who are solving our greatest challenges, educating the next generation, fighting for equality, and creating new opportunities for economic prosperity.

I encourage you to stay connected to the CSU. Use these connections – both to your university and to other CSU alumni – to expand your opportunities and make a meaningful impact on your community and the world. I also encourage you to support the generations who endeavor to follow in your footsteps.

The word we use to commemorate an earned university degree is “commencement.” This is, of course, deliberate. Today is not an end, but rather a beginning. And as you continue on your life’s journey, may your hard work and sacrifices pay dividends far beyond today’s celebration, both in your life and in the lives of those around you.

Congratulations, California State University Class of 2024! I look forward to all that you will accomplish.

Felicidades!

Warmly,

A handwritten signature in black ink that reads "Mildred García". The signature is written in a cursive, flowing style.

Mildred García, Ed.D.

LETTER FROM THE PRESIDENT

Dear Graduates:

Congratulations, and welcome to the 2024 California State University, San Bernardino Fall Commencement at the Coussoulis Arena here on the San Bernardino campus. I am excited to join you all at our in-person ceremonies on December 13 and 14, honoring those graduating from the College of Arts and Letters, Jack H. Brown College of Business and Public Administration, James R. Watson and Judy Rodriguez Watson College of Education, College of Natural Sciences and College of Social and Behavioral Sciences.

We are grateful that we can celebrate today, together with family and friends, the significant milestone Commencement represents. Attaining a college degree is a defining achievement that serves as a source of inspiration and satisfaction, made all the more special if you are the first in your family to graduate from college.

As you have pursued your degree at CSUSB, you've grown intellectually, creatively and professionally. You've had the opportunity to explore new paradigms, disciplines and cultures; to discover and create meaning in new ways; and to apply a variety of perspectives to problem solving. These are noteworthy accomplishments during the best of times, and you have shown exceptional strength during these unprecedented times.

You are here today as the direct result of your hard work, focus and dedication. These qualities will serve you well into the future as you establish successful and rewarding careers. You can take great pride in this achievement as you join over 125,000 other distinguished alumni who call CSUSB their alma mater and who are using their talents to make a difference in the world.

It is my distinct honor to congratulate you in person as you walk across the stage today, and to applaud your extraordinary achievements. I wish you the very best as you move on to pursue your personal and professional aspirations.

A handwritten signature in black ink, appearing to read 'TDM', written in a cursive style.

COMMENCEMENT SYMBOLISM AND TRADITION

Academic Regalia

Academic ceremonies with their gowns, mortarboards, tassels and hoods are colorful traditions handed down from European universities of the 14th century. Academic regalia have evolved from the robes, hoods and caps worn mainly for warmth in unheated buildings by the clerics, monks and priests who were the first students.

United States universities now have standardized the academic regalia so that their features are common throughout the country. The gown is ordinarily black for academic degrees. The pattern of the sleeves varies with the degree: short sleeves for the master's degree and round full sleeves for the doctoral degree. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and three bars of the same material across the sleeves. The color of the velvet on the sleeves also could be the color of the subject in which the degree was earned.

The hood usually is not worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctor's hood. The silk lining of the hood bears the colors of the institution from which the individual has graduated. The velvet binding or edging of the hood designates the academic major in which the wearer has taken his or her degree.

The field of study is indicated by the color of the velvet facing on the hood of all master's and doctoral degree holders.

Official Colors

The field of study is indicated by the color of the velvet facing on the hood of all master's and doctoral degree holders.

Some examples of doctoral hoods are listed below:

Arts and Letters	White
Business Administration	Drab
Education	Light Blue
Computer Science	Gold
Sciences	Yellow
Public Administration	Peacock Blue
Nursing	Apricot

Fields of study for the master's degrees offered at CSUSB are:

Master of Arts	White
Master of Fine Arts	Brown
Master of Business Administration	Drab
Master of Criminal Justice	Purple
Master of Education	Light Blue
Master of Public Administration	Peacock Blue
Master of Natural Sciences	Gold
Master of Social and Behavioral Sciences	Citron
Master of Social Work	Citron

The University Mace

The university mace is a ceremonial symbol of authority carried in academic processions at commencements. Originating in the Middle Ages, it once was a formidable weapon, held ready to protect the person of dignity.

The Cal State San Bernardino mace was designed and fashioned by Mark Petherbridge, B.A., art, 1985, with technical supervision from Roger Lintault, professor emeritus of art, 2000.

ALMA MATER

By Loren Filbeck, D.M.A.
Professor Emeritus of Music

Beneath the shimm'ring mountains,
Near sea and desert sand,
Our Alma Mater stands secure,
Truth's light held in her hand.
Her youth and energy we share
As we reach t'ward wisdom's door,
Her name we laud and gladly bear,
With pride our spirits soar.
San Bernardino, our Alma Mater,
We sing our praise to thee.
San Bernardino, as sons and daughters
We pledge faith and loyalty.

UNIVERSITY-WIDE HONORS AND DISTINCTIONS

Cum Laude, Magna Cum Laude and Summa Cum Laude

University honors at graduation are awarded to undergraduate students in three classifications based on all courses taken at California State University, San Bernardino and other institutions of higher learning. The minimum grade-point averages for recognition are: Summa Cum Laude 3.9, Magna Cum Laude 3.75 and Cum Laude 3.5. Candidates for degrees are listed with honors based upon their grade-point averages at the conclusion of the summer/spring quarters for degree purposes. Students who have earned university honors through winter are eligible to wear honors cords as a special mark of the distinction they have achieved.

Departmental Honors

Candidates who have earned Departmental Honors wear various color cords as a special mark of the distinction they have achieved.
