CSUSB Graduate Learning Outcomes [DRAFT]

12/6/24

Graduate Learning Outcomes	Assessment Ideas
1. **Disciplinary knowledge:** Master, integrate, and apply disciplinary knowledge, skills, and methods to current, practical, and important contexts and situations.	• Summative evaluation (thesis, project, dissertation, comprehensive exam)
2. **Communication:** Communicate orally and in writing with clarity, agency, and purpose both within the discipline and in broader contexts. Interact with communities of practice and colleagues using a variety of professional registers.	• Oral defense • Class presentations in particular courses • Professional Learning Community participation • Grad Slam
3. **Critical thinking/analysis:** Engage in creative, analytical, critical, and evaluative thinking. Demonstrate the ability to obtain, assess, and analyze information from a myriad of sources.	• Summative evaluation (thesis, project, dissertation, comprehensive exam)
4. **Professionalism and Social Responsibility:** Practice professional integrity, honesty, and ethical responsibility. Demonstrate social responsibility within the local and interdependent global (glocal) community.	• Internship • Service-learning • Faculty-student research • Student leadership (clubs, organizations, professional communities, ASI, etc.) • Professional development workshops
5. **Diversity, Equity, Inclusion:** Gain expertise in and include the voices of historically marginalized perspectives in the disciplines. Critically examine personal beliefs, attitudes, and biases about historically marginalized people and cultures in the United States and across the world.	• Summative evaluation (thesis, project, dissertation comprehensive exam)

6. **Research:** Identify the contribution that research makes within a discipline or conversation; synthesize information from multiple sources and a variety of perspectives; and contribute to the ongoing scholarly conversation. Select appropriate research methodologies based on need, circumstance, and type of inquiry.	● Summative evaluation (thesis, project, dissertation, comprehensive exam)

Let's Talk!

Graduate school can be intense, overwhelming, and even isolating. You may find it challenging to find school, work, and life balance and wonder if you are missing the magnificence of the graduate school experience.

Let's Talk is a drop-in support group that has been designed specifically for graduate students. It's a welcoming, safe, and supportive space where graduate students can come together to connect and process challenges and concerns, and share experiences and successes.

Let's Talk will be facilitated by CAPS counselors.

Join us at noon on Tuesdays for a drop-in Zoom meeting.

The first meeting is planned for September 17, 2024, at Noon.
