The roadmap is an academic planning resource. Students should refer to their PAWS Report and Academic Catalog for graduation requirements.

This roadmap plans for courses to be completed at PDC. Students may also take classes in person or online at the San Bernardino Campus.

NCSD courses are only offered once per year. It is important to follow MyCap plan developed by the DPD Director for faculty advisor

*The lab must be completed on the SB campus. Students will need to go to San Bernardino one day each week to complete the lab

**Some of the lab rotations will be completed in Cochella Valley. Students will need to complete some of the lasn at San Bernardino area.
