

Ancillary Unit Annual Review
Reporting Period: 2023

Deadline for submission to Reporting Administrator: October 30

**This report is required by FAM 105.4 – POLICY GUIDELINES FOR THE FORMATION
AND REVIEW OF CSUSB ANCILLARY UNITS**

Basic Information

Ancillary Unit's name	Cybersecurity Center
Director(s)	Tony Coulson PhD, Vincent Nestler PhD
Administrator to whom the unit reports ("Reporting Administrator")	Tomás Gómez-Arias
Purpose and goals of the Ancillary Unit (from the original proposal or updated operating documents)	

Advisory Board

<p>Please list your current Advisory Board, their positions outside the Advisory Board, and their roles on the Advisory Board (if applicable)</p>	
---	--

Ancillary Unit Activity

Please summarize the top three (3) accomplishments of your Ancillary Unit (AU) during this reporting period. This should highlight the substantive activities that support and advance the purpose/goals of the AU, and the relationship between the activities and the purpose/goals.

Please highlight the most significant activities of the AU that engage the community or other entities on campus, if any.

Substantive Activities undertaken by the AU during reporting period

Activity (please describe)	Funds spent	Goal advanced (and extent)

Describe planned activities for the current academic year and how each of them will advance the purpose/goals of the AU.

Planned Activity	Connection to Purpose

Complete the Annual Use of Funds form

	Year 1		Year 2		Year 3	
	Internal	External	Internal	External	Internal	External
Salaries	\$ 0	\$ 1,345,822.53	\$ 0	\$ 621,380.78	\$ 0	\$ 975,418.23
Assigned Time	\$ 0	\$ 0	\$ 0	\$ 0	\$ 0	\$ 0
Travel	\$ 0	\$ 114,165.52	\$ 0	\$ 58,569.43	\$ 0	\$ 101,028.00
Supplies	\$ 0	\$ 182,743.84	\$ 0	\$ 191,490.68	\$ 0	\$ 37,421.88
Contractual	\$ 0	\$ 411,970.30	\$ 0	\$ 134,904.35	\$ 0	\$ 588,898.10
Other*	\$ 0	\$ 1,532,182.94	\$ 0	\$ 886,030.69	\$ 0	\$ 354,950.00
TOTAL	\$ 0	\$ 3,586,885.13	\$ 0	\$ 1,892,375.00	\$ 0	\$ 2,057,716.21

***Other can include items such as: External Contracts, Grants, Sponsorships, Marketing and Outreach, Communications, Data Processing, Facilitates Operation, Printing, Postage**

Date

Academic Yr 22-23	Cybersecurity Center Activity	
Date	Activity Name	Goal Advanced
08.12.2022	Girl Scouts Drone Course	Drone course to teach Girl Scouts
08.29.2022	Voctor Rivas, Congressman visit: Pete Aguilar	Congressman Pete Aguilar with his staff was toured around the Cybersecurity center. Their contributions via legislation majorly impact the financial investment towards our Cybersecurity center and Cisco
09.01.2022	Robert Half Cyber Apprenticeship Info Session	Robert Half has established partnerships with multiple organizations to aid students and professionals in our relevant fields. These partnerships involve contributing to the missions of these organizations through thought leadership, scholarship programs, mutual training and development, and offering hiring, placement, and job search resources.
09.01.2022	OSE Club Carnival	The Office of Student Engagement (OSE) Fall Club Fair. This event is associates with CSUSB's Week of Welcome into the 2022-2023 academic year. This is where the CISCO club can interact with CSUSB and to recruit new club members.
09.06.2022	Kaiser High School Tour	CSUSB's Cybersecurity Center has been invited by Fontana Unified School District's College, Careers and Economic Development department to tour the CTE program at Kaiser High School on Tuesday, September 6th.
09.08.2022-09.09.2022	CAE NW Regional Hub Event and Designation Ceremony	Regional HUB meeting and ceremony to acknowledge all newly designated and re-designated CAE Schools
09.12.2022	Virtual Career Fair Prep & Professional Development Workshop Series Session VII "Becoming a Likeable Candidate"	Stay tuned in to the final 4 sessions of the Professional Development Workshop Series designed to prepare you for the September 16th National Virtual Career Fair and future job-seeking endeavors. This session highlights "Making the Right Impression" with employer guest speaker Shannon Beck from the United States Airforce Academy. This hybrid session will be hosted online via Zoom, with an optional in-person viewing room in JB-141 for those on campus who can take advantage of additional Q&A and networking opportunities. Be sure to visit the CAE in Cybersecurity Community's preparation videos for the VCF.
09.13.2022	Virtual Career Fair Prep & Professional Development Workshop Series Session VII "Becoming a Likable Candidate"	Stay tuned in to the final 3 sessions of the Professional Development Workshop Series designed to prepare you for the September 16th National Virtual Career Fair and future job-seeking endeavors. This session highlights "Becoming a Likable Candidate" with MBA Director Ernie Silvers.
09.14.2022	Rim of the World High School Career & College Fair	The Cybersecurity Center and cyber clubs are invited to participate in Rim of the World High School's Career & College fair. We will be among representatives from different industries, colleges and post-secondary institutions to inspire and motivate high school students to think about their future & consider CSUSB for our cyber program, clubs, scholarship and apprenticeship opportunities. We'll also be promoting the new Cyber Watchdog mobile video game app.
09.14.2022	Virtual Career Fair Prep & Professional Development Workshop Series Session VIII "Professional Roadmaps"	Stay tuned into the final 2 sessions of the Professional Development Workshop Series designed to prepare you for the September 16th National Virtual Career Fair and future job-seeking endeavors. This session highlights "Professional Roadmaps" with CSUSB SFS Alumni Chris Burk.

09.15.2022	Cyber Mentorship Program (CMP) Orientation	Event for all CMP Mentors and Mentees to be introduced to Fellow Mentors, and get an Information Session on what to expect from the CMP Program. Orientation is mandatory for all mentees (including mentees from previous years). We will go over the program expectations together and you will get a chance to ask any questions. There will also be pizza and there will be time allotted for you to mingle with mentors and some of the other mentees.
09.15.2022	Virtual Career Fair Prep & Professional Development Workshop Series Session VIII "Ask an Employer: Threat Analysis"	Stay tuned in for this final session of the Professional Development Workshop Series designed to prepare you for the September 16th National Virtual Career Fair and future job-seeking endeavors. This session highlights "Ask an Employer: Threat analysis", featuring Google.
09.16.2022	Virtual Career Fair	The Nation Cybersecurity Training and Education (NCyTE) Center and the Centers of Academic Excellence (CAE) in the Cybersecurity Community are hosting the Sixth annual National Cybersecurity Virtual Career Fair (VCF), on September 16, 2022, from 9:00 AM- 1:00 PM PT.
09.28.2022	Korea Institute for Defense Analyses (KIDA)	KIDA will be accompanying IDS Faculty Member Joon Son on a visit to the Cybersecurity Center for an interview with cybersecurity center program staff and students from special programs. Research lab is closed on 09.28.2022 for renovations and also a such short notice request, we'll forgo any project demonstrations and ask a few student representatives to be present in JB-282 to discuss the program they are in and projects they are working on.
09.29.2022	CAE SE Reagonal Hub event and Designation Ceremony	Regional HUB meeting and ceremony to acknowledge all newly designated and re-designated CAE Schools
10.05.2022	CISO Fall Semester Club Opener 2022	We will be having our club opener and it will address many topics including how to become a member of CISO, what projects we have, how they work the various competitions we participate in, upcoming events, and the many scholarship opportunities available.
10.06.2022	Cyber Mentorship Program (CMP) Cyber Career Panel	Join the Cyber Mentorship Program as we hear from three former CSUSB Scholarship for Service recipients. These alumni will be sharing about their journeys in cybersecurity. They'll delve into their current work roles and the types of knowledge, skills, and abilities you'll want to hone to be a stellar candidate for a similar role. They'll also share ways that you can grow technically and professionally, even as a college student. You'll have the opportunity to ask questions, so come prepared! Special Guest Speakers: Arcky, Anette and Danielle
10.11.2022	Victoria Rivas Visit (Congressman Aguilar's Chief of Staff)	Congressman Pete Aguilar's Chief of Staff, Victoria Rivas visited the Cybersecurity Center and receiving a tour of our cyber research lab. The Congressman's contributions through legislation have a major impact on financial investments toward our Cybersecurity Center and CISO.
10.12.2022	Upland College & Career Day	The Cybersecurity Center and cyber clubs are invited to participate in Upland High School's Career & College fair. We will be among representatives from different industries, colleges and post-secondary institutions to inspire and motivate high school students to think about their future & consider CSUSB for our cyber program, clubs, scholarship and apprenticeship opportunities. We'll also be promoting the new Cyber Watchdog mobile video game app.
10.17.2022	IECI Apprenticeship Information Session	The CSUSB Cybersecurity Apprenticeship information session will discuss how to take advantage of tuition assistance, credit for work, and the many benefits of cyber apprenticeship available in the Inland Empire.

10.21.2022	Open House 2022	Open House is our cyber program's largest annual event of the year, when we invite students, their families, faculty, and counselors from all over the community to learn about the exciting opportunities available in cyber education, scholarships, apprenticeships, research, community & workforce development, outreach, and career readiness at CSUSB's Jack Brown College of Business and Public Administration. We'll have representatives from the campus Admissions office, our Student Success Center, and several associated student clubs to help service the affair.
10.21.2022	GenCyber Fall Meeting (virtual)	CAE Community helped host and attended the Bi Annual meeting.
10.24.2022	CIA Internship/Career Information Session	A CIA Representative will provide information regarding the CIA and the variety of career and paid internship opportunities available. The presentation will include details about application processes and suggestions for making yourself competitive for employment, including tips for writing cover letters and resumes, and preparing for an interview with CIA. Undergraduates and Graduates of all academic disciplines are encouraged to attend.
10.25.2022	NAVSEA Port Hueneme Information Session	The <u>Naval Sea Warfare Center (NAVSEA)</u> will be visited the JHBC Cybersecurity Center during CSUSB's Fall Career & Internship Fair to share information about NSWC and their many employment opportunities.
10.25.2022	Cyber Mentorship Program: Technical Workshop	Industrial control systems (ICS) and critical infrastructure keep the world we live in going on a scale and consistency most will never understand. Join CMP this Tuesday @ 4pm, as a CSUSB alumnus discusses some basic principles of ICS and delves into where ICS marries IT: operational technology (OT). This event is virtual and can be accessed via this link by CMP participants and ALL interested students.
10.27.2022	Hesperia High School College & Career Fair	CSUSB was invited to the Hesperia HS College and Career Fair. We will be among representatives from different industries, colleges and post-secondary institutions to inspire and motivate high school students to think about their future & consider CSUSB for our cyber program, clubs, scholarship and apprenticeship opportunities. We'll also be promoting the new Cyber Watchdog mobile video game app.
11.03.2022	Cyber Mentorship Program (CMP) Cyber Career Panel #2	Join the Cyber Mentorship Program as we hear from three former CSUSB Scholarship for Service recipients. These alumni will be sharing about their journeys in cybersecurity. They'll delve into their current work roles and the types of knowledge, skills, and abilities you'll want to hone to be a stellar candidate for a similar role. They'll also share ways that you can grow technically and professionally, even as a college student. You'll have the opportunity to ask questions, so come prepared! Special Guest Speakers: Sarah Yoder, Josh Marsden and Nick Trezza
11.06.2022	CAE Community National Centers Meeting, MLC	CAE Community National Center Hosted and participated in a working group for all CAE Designated National Centers
11.07.2022-11.10.2022	Cyber Expo- LA Airforce Base	CHIRP Fellows and Cybersecurity Center Staff attended an invitation only Expo with Space Systems Command

<p>11.09.2022</p>	<p>SSC Cybersecurity Expo</p>	<p>2 day event, first day: CSUSB cyber scholarship students from the CHIRP & SFS programs attend the Space Systems Command Cyber Expo at Los Angeles Air Force Base to participate in the Cyber Petting Zoo and table a booth to share about CSUSB's cyber program and opportunities.</p> <p>Space Systems Command is focused on ensuring cyber and cybersecurity readiness and developing the innovating mindsets required to drive this mission.</p> <p>Nov, 9-10, 2022 at SSC headquarters at Los Angeles Air Force Base. The event will be held at the Gordon Conference Center and the vendor expo will be in the Schriever courtyard.</p> <p>This year's theme is The Threat is Real. Subject matter experts from SSC, government, industry partners, academia, and non-profit organizations will share knowledge and awareness to enhance SSC's cyber mission and focus areas.</p> <p>Attendees will have the opportunity to gain a better understanding of cyber capability requirements while building relationships to better connect with the chance to be involved in the SSC mission.</p>
<p>11.10.2022</p>	<p>SSC Cybersecurity Expo</p>	<p>Second day of event: "CSUSB cyber scholarship students from the CHIRP & SFS programs attend the Space Systems Command Cyber Expo at Los Angeles Air Force Base to participate in the Cyber Petting Zoo and table a booth to share about CSUSB's cyber program and opportunities.</p> <p>Space Systems Command is focused on ensuring cyber and cybersecurity readiness and developing the innovating mindsets required to drive this mission.</p> <p>Nov, 9-10, 2022 at SSC headquarters at Los Angeles Air Force Base. The event will be held at the Gordon Conference Center and the vendor expo will be in the Schriever courtyard.</p> <p>This year's theme is The Threat is Real. <p>11.15.2022</p>	<p>DoD CySP Information Session #1</p>	<p><u>The Cybersecurity Center is now interviewing candidates for the prestigious Department of Defense Cybersecurity Scholarship Program (DoD CySP). Applicants for 2023-2024 can now apply for either the 1 or 2 year scholarship, with a post-graduate obligation for the same number of years toward federal service! So, kick-start your cybersecurity career with the scholarship that can prepare you with confidence:</u></p> <p><u>First step for applying is to fill out the scholarship interest form. Then, start the application online at the DoD website, and attend the scholarship info session Tuesday, November 15, 2022 at 2:00 PST. Click here for the Zoom session registration.</u></p>

11.15.2022	Inland Empire Apprenticeship Expo	<p>CSUSB will be accompanying IECI coalition partners promoting the community development cybersecurity pipeline at this all-day Inland Empire apprenticeships event.</p> <p>The Inland Empire Apprenticeship Expo is for career seekers, employers, community organizations, educators and anyone that wants to learn more.</p> <p>From 9:00 am - 1:00 pm, the Expo will be open to high school students. Registered educators may bring high school junior and senior students to the event so they can explore their future career and learning options.</p> <p>From 1:30 - 3:30 pm, the Expo will be open to the public. College students, adult career seekers, community members and more are all welcome to learn more about apprenticeship opportunities during this open session.</p>
11.17.2022	White House Summit Lab Tour	<p><u>CSUSB is hosting a White House Initiative Latino Economic Summit, where participating federal agencies and local leaders will be visiting the Cybersecurity Center and the cyber research lab. Scholars, Apprentices, Project Leaders, and Cyber Squad Leadership will need to rotate availability during the 2-day period to demonstrate projects and discuss participation in special programs.</u> 2 day event, this is the first day.</p>
11.18.2022	White House Summit Lab Tour	<p><u>CSUSB is hosting a White House Initiative Latino Economic Summit, where participating federal agencies and local leaders will be visiting the Cybersecurity Center and the cyber research lab. Scholars, Apprentices, Project Leaders, and Cyber Squad Leadership will need to rotate availability during the 2-day period to demonstrate projects and discuss participation in special programs.</u> 2 day event, this is the second day</p>
11.29.2022	Yucaipa HS & Crafton Hills Pipeline Articulation Meeting	<p>CSUSB is hosting a cybersecurity pathway and articulation meeting with Yucaipa High School (YHS) and Crafton Hills College (CHC). YHS intends to explore new ways of informing students of CSUSB's cyber program and design a clear map of career, curricular, and experience pathways for cybersecurity students from YHS through CHC to CSUSB.</p>
11.30.2022	Rialto USD STEM Strategy Planning Meeting	<p>The IECI community development project connects with RUSD's STEM Center Director for a Rialto USD STEM strategy planning meeting.</p>
12.05.2022	NCAE Grants Initiatives Meeting, Maryland	<p>CAE Community National Center Hosted and participated in a working group for all NCAE Grant initiatives</p>
12.06.2022-12.07.2022	NICE K-12 Meeting, Maryland	<p>CAE Community National Center Hosted and participated in a working group for all NCAE K-12 Grant initiatives</p>
12.13.2022	DoD CySP Information Session #2	<p>The Cybersecurity Center is now interviewing candidates for the prestigious Department of Defense Cybersecurity Scholarship Program (<u>DoD CySP</u>). Applicants for 2023-2024 can now apply for either the 1 or 2 year scholarship, with a post-graduate obligation for the same number of years toward federal service! So, kick-start your cybersecurity career with the scholarship that can prepare you with confidence:</p> <p>First step for applying is to fill out the scholarship interest form. Then, start the application online at the <u>DoD website</u>, and attend the scholarship info session Tuesday, December 13, 2022 at 1:00 PST</p>
12.14.2022	SFS Mock Job Fair	<p>Director Tony Coulson, is hosting our annual Mock Job Fair on December 14 at 9 am, in preparation for the federal cybersecurity job fair in Washington D.C., January 2020.</p> <p>Genuine job-offering vendors & volunteers acting as federal agencies will operate booth tables in the JB-122 cyber research lab to converse with SFS Scholar applicants, get a feel of who they are, and answer questions regarding available positions. This will be a full dress rehearsal. Scholars will attend fully professional with resumes on hand.</p>

12.16.2022	Entrepreneur High School TT TECI Strategy Planning Meeting	The IECI community development project connects with Entrepreneur High School and Real Journey Academies' Christopher Love, and program partner Tomorrow's Talent's Zachary Hill and Jennifer McDaniel for a strategy planning meeting. The IECI collaboration intends to provide E-High students with IECI pipeline support as we now discuss the next steps for Exploration engagement.
12.19.2022	Cybersecurity Center Winter Mini Retreat, SB	Cybersecurity Center Planning meeting
01.10.2023-01.11.2023	SFS Job Fair, DC	SFS Scholars and Cybersecurity Center Staff attended the Annual, National SFS job fair
01.11.2023	Cajon HS Pathway Planning Meeting	Meeting with Cajon HS Cyber Pathway Lead to discuss dual enrollment & cyber pipeline issues and plans.
01.12.2023	Cybersecurity Alumni Meet Up, DC	Dr. Tony Coulson and Dr. Vincent Nestler in collaboration with the CSUSB Alumni Office hosted an Alumni meet up for Cybersecurity Alumni
01.16.2023	Club Collaboration Meeting	1st annual Collaboration Meeting between CISO, WiCyS, CSE, WiCSE & NetSec to discuss a multi-club project combining skills from all the different clubs into one. This meeting is going to be the start of a strong and long lasting relationship from club to club.
01.20.2023	Competency Development: Leadership Meeting	Working group to developed competency guidelines, and write a book on competency
01.20.2023	CISO Project Leader Meeting	This project leader meeting will address a variety of things when it comes to projects for Spring 2023. This meeting will also give project leaders an opportunity to ask any questions regarding how the project schedule will be established. Also any new projects can question Vice President and President how funding can be acquired.
01.23.2023	Rialto USD STEM Strategy Planning Meeting #2	The IECI community development project connects with RUSD's STEM Center Director for a Rialto USD STEM strategy planning follow-up meeting.
01.23.2023	Cyber Apprenticeship Info Session #3	CSUSB is now supporting paid cybersecurity apprenticeships! A collaboration between K-12 schools, community colleges, and industry partners has made it possible for students to earn money securing a cyber career while still earning their degree! The CSUSB Cybersecurity Apprenticeship information session will discuss how to take advantage of tuition assistance, credit for work, and the many benefits of cyber apprenticeship available in the Inland Empire.
1.24.2023	Southern California Edison (SCE) Lab Tour	Southern California Edison (SCE) representative Irma Gorrocino, Community Engagement Corporate Communications and Philanthropy Advisor, visits the Cybersecurity Center and cyber clubs research lab to discuss CSUSB's cybersecurity programs and view student project demonstrations. The CsC is looking forward to a developing relationship with SCE to explore possibilities for future cybersecurity apprenticeships and employment opportunities.
1.25.2023	NSF SFS / SSC CHIRP Information Session #1	The Cybersecurity Center is now accepting applications for the prestigious Scholarship For Service Program (SFS) and the new SSC Cyber Halo Innovation Research Program (CHIRP). First step for applying is to fill out the interest form, then attend the scholarship info session Wednesday, January 25th, 2:00 PM PDT . Click here to apply for the SFS Scholarship. View the attached flyer and website for more information at: https://www.csusb.edu/cybersecurity/cybersecurity-center/programs/cybercorpsr-scholarship-service
1.27.2023	Late Night	Late Night is an event associated with CSUSB's Weeks of Welcome into the 2022-23 academic year. During this event, students, faculty, and staff receive free attendance (with the condition of a verified wristband worn at all times) and enjoy a night of food, games, music, and information regarding student organizations available on-campus. CyberSquad will be representing CISO to promote cybersecurity awareness and invite more individuals to join the clubs.

02.01.2023-05.30.2023	Cyber Career Challenge- Train the Trainer	Hosted weekly from Feb-May: Training on administering the Cyber career challenge https://www.ncyte.net/Home/Components/Calendar/Event/123/
02.01.2023	CISO Spring Semester Club Opener for Spring '23	CSUSB's Cyber Intelligence & Security Organization (CISO) hosts the Spring Semester 2023 Opener with collaborating clubs Women in Cybersecurity (WiCyS), Computer Science Engineering (CSE), Women in Computer Science Engineering (WiCSE), and the National Security Studies Club (NatSec) for campus/community outreach, STEM club memberships, collaborative tech projects, competitions, and cybersecurity student opportunities available at CSUSB.
02.01.2023	Gates Foundation & Aspen Institute	Guests toured Cybersecurity Center and Jb 122 Research Lab
02.02.2023	California Lt. Governor Eleni Kounalakis Lab Tour	California Lt Governor Eleni Kounalakis will be visiting the Cybersecurity Center Thursday, February 2nd with an opportunity to meet with cyber program students as they host a short lab tour. The governor's office has been instrumental in the production of our economic community development cybersecurity pipeline and apprenticeship (IECI) programs via the DAS & LWDA Cybersecurity Apprenticeship Consortium. Prior Press Releases: Gavin Newsom Speaks at IE Cyber Apprenticeship Consortium 2021 (video) Cybersecurity Industry Convening Registered Apprenticeship Panel (video) New Inland Empire Cybersecurity Apprenticeship Initiative Launched to Meet Critical Workforce Needs
02.09.2023	Deputy State Director Peter Muller Lab Tour	Senator Dianne Feinstein's Deputy State Director Peter Muller from Los Angeles visits the CSUSB main & Palm Desert campuses, stopping by the Cybersecurity Center for a tour of the cyber clubs research lab Thursday Feb 9th 11:45am - 12:15pm. Director Muller and staff spend a moment with CISO & WiCyS, viewing demonstrations from the Computer Biology, Mobile Pentesting, Ethical Hacking, & Google Go projects.
02.14.2023	SFS/CHIRP Information Session #2	The Cybersecurity Center is now accepting applications for the prestigious Scholarship For Service Program (SFS) and the new SSC Cyber Halo Innovation Research Program (CHIRP). First step for applying is to fill out the interest form, then attend the next information session Tuesday, February 14th, 3:00 PM PDT. Click here to apply. View the attached flyer and website for more information at: https://www.csusb.edu/cybersecurity/cybersecurity-center/programs/cybercorpsr-scholarship-service
02.15.2023	CISO Elections Information Session about the Positions	This CISO Elections Information Session will last 1 hour in order to offer an insight to what a CISO officer person does on a daily basis as well as proper Officer descriptions. The information session will also be an opportunity for interested candidates to discuss why they are running for certain officer positions. The session will also include testimonies from current officers. Please attend if you are interested in running for a CISO officer position. Upcoming Positions opening up. CISO Club president, Vice, treasurer, Secretary, Outreach Officer, Webmaster, & Communications Officer.
02.15.2023	Yucaipa HS EA Advisory Board Meeting	The IECI community development project connects with Yucaipa High School's Engineering Academy Advisory Board to discuss projects and future cybersecurity pathway activities and events. This Meeting will last 1 hour in order to offer the many professionals and adult stakeholders a chance to connect with our Engineering Leadership Team and to find ways to collaborate and share life and professional experience with the engineering kids at YHS. Please attend if you want to have the opportunity to hear from the kids first hand what projects we are going to be working on. If you can support me with advice or guidance then I will connect you directly with our student leadership team working on a project in the area of your interest.

02.15.2023	DoD Chief Information Office Lab Tour	Representatives from the Department of Defense Chief Information Office visit the CSUSB main campus Wednesday, February 15th with an opportunity to meet cyber program students for project demonstrations and likely recruiting.
02.16.2022	Trustee Larry Adamson	Guests toured Cybersecurity Center and JB 122 Research Lab
02.17.2023	Competency Development: Leadership Meeting	Working group to developed competency guidelines, and write a book on competency
02.18.2023	One Future CV Male Leadership Summit	CSUSB's cyber program is requested to table information on our majors and cybersecurity student opportunities at the One Future Coachella Valley Male Leadership Summit taking place at our Palm Desert Campus (PDC). The summit brings males (K-16) to PDC to learn about college and careers.
02.21.2023	Yucaipa HS & Crafton Hills Pipeline Articulation Meeting #2	CSUSB is hosting a cybersecurity pathway and articulation meeting with Yucaipa High School (YHS) and Crafton Hills College (CHC). YHS intends to explore new ways of informing students of CSUSB's cyber program and design a clear map of career, curricular, and experience pathways for cybersecurity students from YHS through CHC to CSUSB.
02.21.2023	STEMapalooza	STEMapalooza is a virtual STEM experience for ALL of San Bernardino and Riverside County 4th - 8th grade students, hosted by San Bernardino County Superintendent of Schools' Alliance for Education and contributing partners. The purpose of STEMapalooza is to provide students with exciting STEM learning experiences that expose students to STEM careers, the essential skills those careers require, and the pathways that lead to them. This free virtual experience will feature engaging keynote speakers, STEM activities, career exploration, industry tours, and informative videos from local industry professionals, STEM-related high school pathways, and STEM-related postsecondary programs.
02.23.2023	Chicago site visit for NCEC & Specialized Sponsor Meetings	CAE National Center Team preformed a site visit for hosting the National Cybersecurty Education Colloquium (NCEC) While there, met with Sponsors and partners for specialized topics meetings
02.27.2023	Irvine Foundation Lab Tour	The James Irvine Foundation visits the IDS Cybersecurity Center and cyber clubs' research lab to discuss CSUSB's cybersecurity programs and view student project demonstrations. The CsC is looking forward to a developing relationship with the Irvine Foundation to explore possibilities for future support in equitable opportunities in cybersecurity education and careers.
02.28.2023	Federal Reserve Board Info Session/Cyber Coffee Chat	The Federal Reserve Board will be visiting our Cybersecurity Center as part of a university-wide recruiting trip involving an information session and interview/micro-internship period later in the afternoon this Tuesday, February 28, 2023. Students are invited to JB-122/124 at 9:30am to hear about their opportunities. Then, encouraged to return at 1:30pm for one-on-one meetings!
02.28.2023	Cyber Mentorship Program (CMP) Orientation Spring '23	CSUSB's Cybersecurity Clubs are inviting all cyber program students to the Cyber Mentorship Program Orientation Tuesday, February 28, 2023 at 6:30pm at JB-102. The Cyber Mentorship Program aimed at providing new students with campus and cyber program onboarding activities including Certification Preparation, Cyber Competitions, Professional Development, and Technical Projects/Events. The CMP program also benefits mentors with leadership and cyber coaching experiences that last a lifetime.

03.02.2023	YHS Engineering Academy - Girl's Lego Day	<p>Yucaipa High School's Engineering Academy will be giving out lego sets to 4th grade girls at Chapman Heights Elementary School. PowerPoint presentation (10 mins): introduce what STEM is, what it looks like at the academy and in careers, and explain our activity. Tables of 5 with legos on top. Girls have a choice to play with themselves or join the engineering team in a contest. We give them a theme to follow with time limits. From there, we play a couple of rounds before giving a couple of LEGO sets</p> <p>So no one leaves empty-handed, everyone gets a small lego figure but only the people who choose to participate in the contest get the chance to get the larger lego sets Music Playing in the background with the speaker we bring. Drop those little nuggets of "You know, engineering's cool" with kids. We want them to have fun! While the kids work, one person from the team will oversee each table to collaborate with them and talk about engineering.</p>
03.02.2023	Career Showcase	Meet prospective students and outreach
03.06.2023	CIA STEM Info Session Spring 2023 #1	<p>CIA Representatives from the West Coast Regional Recruiters Office return to CSUSB's Cybersecurity Center for the 1st part of their 2nd Internship & Career Information Session visit this year, recruiting students from our cyber clubs Cyber Intelligence & Security Organization (CISO), Women in Cybersecurity (WiCyS), and cyber scholarship/apprenticeship programs.</p> <p>A CIA Representative will provide information regarding the CIA and the variety of career and paid internship opportunities available. The presentation will include details about application processes and suggestions for making yourself competitive for employment, including tips for writing cover letters and resumes, and preparing for an interview with the CIA. Undergraduates and Graduates of all academic disciplines are encouraged to attend.</p> <p>Interviews will be scheduled for March 8th 12-4pm.</p>
03.07.2023	SFS/CHIRP Information Session #3	<p>CIA Representatives from the West Coast Regional Recruiters Office return to CSUSB's Cybersecurity Center for the conclusion of their 2nd Internship & Career Information Session visit this year, recruiting students from our cyber clubs Cyber Intelligence & Security Organization (CISO), Women in Cybersecurity (WiCyS), and cyber scholarship/apprenticeship programs.</p> <p>A CIA Representative will provide information regarding the CIA and the variety of career and paid internship opportunities available. The presentation will include details about application processes and suggestions for making yourself competitive for employment, including tips for writing cover letters and resumes, and preparing for an interview with the CIA. Undergraduates and Graduates of all academic disciplines are encouraged to attend.</p> <p>This meeting is specifically for interviews scheduled from previous information sessions.</p>
03.08.2023	CISO Campaign Speeches	Club advisors, Dr. Tony Coulson & Vincent Nestler attend this event and advise as necessary

03.08.2023	CIA Info Session Spring 2023 #2	<p>CIA Representatives from the West Coast Regional Recruiters Office return to CSUSB's Cybersecurity Center for the conclusion of their 2nd Internship & Career Information Session visit this year, recruiting students from our cyber clubs Cyber Intelligence & Security Organization (CISO), Women in Cybersecurity (WiCyS), and cyber scholarship/apprenticeship programs.</p> <p>A CIA Representative will provide information regarding the CIA and the variety of career and paid internship opportunities available. The presentation will include details about application processes and suggestions for making yourself competitive for employment, including tips for writing cover letters and resumes, and preparing for an interview with the CIA. Undergraduates and Graduates of all academic disciplines are encouraged to attend.</p> <p>This meeting is specifically for interviews scheduled from previous information sessions.</p>
03.08.2023-03.09.2023	Seattle NVC NCyTE	Dr. Tony Coulson attended the National Visiting Committee with the NCyTE center. Specialized meetings followed.
03.10.2023	NatSec's Intelligence Colloquium	16th Annual IC - CAE Colloquium, The National Security Studies club (Natsec) at CSU San Bernardino invites you to attend the 16th Annual IC CAE Colloquium. The event will feature an opportunity for students to present their IC-related research and interact with representatives from various National Security and Intelligence Agencies. We will host a number of representatives from agencies of the U.S. Intelligence Community, federal law enforcement, and private corporations.
03.14.2023	NAVSEA Port Hueneme Info Session	Cybersecurity Center and JB 122 Research Lab Tour
03.14.2023	CAE National Center Meeting	CAE Community National Center Hosted and participated in a working group for all CAE Designated National Centers
03.15.2023-03.18.2023	WiCys, Denver	Cybersecurity Center Staff advised CSUSB Cybersecurity students as they attended the conference. Staff also met with and prepped the students for attending through professional development workshops and resume reviews.
03.16.2023	CMP Talk	<p>This Thursday from 1-2pm we are having our first CMP Talk of the semester!</p> <p>The guest speaker, Joe Goldstein, has over 30 years of experience working in IT and owns a successful MSP(Managed Service Provider) company specializing in hospitals. He is willing to share about his career that started in the 80s and how to build your own company in cybersecurity. He is also willing to share key insights into what employers are looking for in new cyber professionals.</p> <p>Zoom information is in the flyer below. I hope to see you there!</p>
03.17.2023	Competency Development: Leadership Meeting	Working group to develop competency guidelines, and write a book on competency
03.20.2023	PNNL Visit	Cybersecurity Center and JB 122 research lab tour. Student Info Session and CHIRP meetings.
03.23.2023	Trustee Visit	We will be having two trustees visit our research lab to explore our cybersecurity center and program's opportunities for students.
03.23.2023	Veteran Graduate Mixer @GSSC	Graduate Student Success Center networking event for veteran graduate students and graduate students population. The event will provide students with information on potential career pathways and opportunities. Also, a representative from Cybersecurity Center will speak to participants on cybersecurity student opportunities including research, apprenticeships, and scholarships.
03.24.2023	CISO Game Night Spring '23	CISO club will be hosting another Game Night on Friday, March 24th. We will have wiffle ball, VR, Super Smash Bros and much more. There will be food and sodas for everyone as well! All CISO Members are welcome to come and hope to see y'all there.
03.28.2023-03.29.2023	CAE National Centers Meeting, PDC	CAE Community National Center Hosted and participated in a working group for all CAE Designated National Centers

03.30.2023	Palo Verde College Lab Tour	Students from Palo Verde College will be visiting our campus. They will be coming to our research lab to learn more information about Cybersecurity and the opportunities available to students.
03.30.2023	Entrepreneur High School TT TECI Strategy Planning Meeting	The IECI community development project connects again with Entrepreneur High School and Real Journey Academies' Christopher Love, and program partner Tomorrow's Talent's Zachary Hill and Jennifer McDaniel for a strategy planning meeting. The IECI collaboration intends to provide E-High students with IECI pipeline support as we now discuss the next steps for Exploration engagement.
04.10.23-06.12.2023	Cyber Career Challenge	https://www.ncyte.net/Home/Components/Calendar/Event/123/
04.03.2023	NICE Preconference, Seattle	Dr. Tony Coulson attended the NICE Preconference and performed a final review/site visit for the Annual CAE Symposium, which was being hosted in the same facility.
04.04.2023	NAVSEA Port Hueneme/Corona Information Session	NAVSEA Port Hueneme visits CSUSB's Cybersecurity Center Tuesday April 4th, 2023 for an information session on Tenant Command and available job opportunities. NAVSEA currently employs CSUSB alumni and continues to recruit out of our cyber program every year. Representatives will return April 25th following up with interviews.
04.05.2023	Yuicapa HS Career Fair Preparation Meeting	Cameron Petinak, the director of the YHS 2023 Career Fair for our Engineering Pathway. First, I wanted to thank all of you for committing to this event. I want to help provide some information and answer some questions through a meeting. We would like to host a Zoom meeting, not more than an hour, on Wednesday at 4:00 PM.
04.10.2023	Entrepreneur High School TT TECI Strategy Planning Meeting	The IECI community development project connects again with Entrepreneur High School and Real Journey Academies' Christopher Love, and program partner Tomorrow's Talent's Zachary Hill and Jennifer McDaniel for a strategy planning meeting. The IECI collaboration intends to provide E-High students with IECI pipeline support as we now discuss the next steps for Exploration engagement.
04.11.2023	Yuicapa HS Career Fair Preparation Meeting	This is a zoom meeting with Trent Lacey to discuss future plans for the upcoming YHS Career Fair on April 20th & primarily the YHS Lab Tour on May 2nd.
04.11.2023	Trustee Krystal Raynes	Cybersecurity Center and JB 122 Research Lab Tour
04.11.2023-04.12.2023	Faculty Development (DSU and SACC) PDC	Dakota State University and CSUSB Cybersecurity Center hosted a Faculty Development workshop at the Palm Desert Ihub.
04.12.2023	Entrepreneur High School TT TECI Strategy Planning Meeting	The IECI community development project connects again with Entrepreneur High School and Real Journey Academies' Christopher Love, and program partner Tomorrow's Talent's Zachary Hill and Jennifer McDaniel for a strategy planning meeting. The IECI collaboration intends to provide E-High students with IECI pipeline support as we now discuss the next steps for Exploration engagement.
04.17.2023	Promise Scholars Cybersecurity Workshop	Cybersecurity Center hosted workshop and lab tour
04.17.2023-04.20.2023	CSU System wide event, DC (alum dinner, baseball, Hill Day, Agency visit)	Alumni engagement
04.19.2023	Yucaipa HS Career Fair	Yucaipa high school will be having their Career Fair on Wednesday, April 19th, 2023. This career fair is a great chance for us to expose some high school students to cybersecurity and recruit students who are graduating soon.
04.19.2023-04.20.2023	CHIRP Selection Interviews	Interview process with Pacific Northwest National Lab (PNNL) and Space Systems Command (SSC) to select CHIRP Fellows

04.20.2023	NAVSEA Corona Info Session	NAVSEA Corona visits CSUSB's Cybersecurity Center Tuesday April 20th, 2023 for an information session on Tenant Command and available job opportunities. NAVSEA currently employs CSUSB alumni and continues to recruit out of our cyber program every year. Representatives will return April 25th following up with interviews.
04.20.2023	IED Mayors Cyber Cup Apprentice Panel	The IED Mayor's Cyber Cup Apprentice Panel request. As a reminder, a couple individuals from our region are putting on a week-long event for students from middle school to community college who are interested in a career in IT and cybersecurity. They have requested that we have an apprentice panel so students can hear about the apprenticeship program. Approximately 300 students attend these events on average.
04.20.2023	MBA Business Job Fair & NAVSEA Corona Visit	Tableing
04.21.2023	Competency Development: Leadership Meeting	Working group to developed competency guidelines, and write a book on competency
04.21.2023	Congressman Pete Aguilar Visit	Congressman Pete Aguilar and his staff will be touring the Cybersecurity Center Friday April 21st. Their contributions through legislation have a major impact on financial investments toward our Cybersecurity Center and CISO. Although very short, his visit is extremely important. It's our intent to show how well-deserving we are of all their support by dazzling them with evidence of our amazing program and cyber projects.
04.22.2023	NCAE Cybergames, Tampa	Center supported
04.25.2023	NAVSEA Port Hueneme Information Session	NAVSEA Port Hueneme visits CSUSB's Cybersecurity Center Tuesday April 25th, 2023 for an information session on Tenant Command and available job opportunities. NAVSEA currently employs CSUSB alumni and continues to recruit out of our cyber program every year. Representatives will return May 3rd following up with interviews.
04.25.2023-04.27.2023	SFS and CHIRP Selection Interviews	
04.27.2023	Cajon HS Career Fair	Cajon High School's College & Career Readiness Teacher has invited CSUSB's Cybersecurity Center to table at their annual Career Fair. This is a great chance for CSUSB Cyber students to meet and talk with Cajon's Cyber students (most of which will be attending CSUSB) and meet Koyett Miles, CSUSB alumni & SFS Cohort 1 student.
04.28.2023	Entrepreneur High School Lab Tour	The IECI community development project connects again with Entrepreneur High School and Real Journey Academies' Christopher Love, and program partner Tomorrow's Talent's Zachary Hill and Jennifer McDaniel for a strategy planning meeting. The IECI collaboration intends to provide E-High students with IECI pipeline support as we now discuss the next steps for Exploration engagement.
04.29.2023	SBCSS ESports Symposium & Tournament	SBCSS Digital Learning Services in partnership with IT is hosting an in-person Spring Symposium on April 29th, 2023. This event will be a community event with sessions for students and parents during the first half hour of the day. Speakers will include representatives from UNiversity of Redlands, Esports Engine, Generation Esports, Start.gg, Microsoft, Common Sense Media, Alliance for Education, and Data Impressions. The second half of the day will be the Tournament portion of the day. We will begin Tournament play with lunch for students ONLY (families can have lunch on their own. There are great restaurants nearby) and a phenomenal Keynote Speaker, Oliver North to motivate students to take their passion for gaming and other interests to the next level. Tournaments will be held along with a Minecraft Build Challenge.
05.02.2023	Yucaipa HS Lab Tour	Yucaipa High School will be visiting our campus to see our research lab, see demos of our projects and learn more information about our school and opportunities available to them through the cyber pathway.
05.02.2023	Resume Workshop	Resume Workshop is for the purpose of preparing our students for interviews that will be coming up in May with NAVSEA and just an opportunity to work on resumes

05.03.2023	NAVSEA Port Hueneme Recruitment Visit	NAVSEA Port Hueneme returns during the Spring 23 semester to CSUSB's Cybersecurity Center Wednesday, May 3rd, 2023 following up their April 4th visit with interviews. NAVSEA currently employs CSUSB alumni and continues to recruit out of our cyber program every year.
05.04.2023	Train the Trainer Cohort	
05.04.2023	NAVSEA Corona Recruitment Visit	NAVSEA Port Corona returns during the Spring 23 semester to CSUSB's Cybersecurity Center Wednesday, May 4th, 2023 visit with interviews. NAVSEA currently employs CSUSB alumni and continues to recruit out of our cyber program every year.
05.04.2023-05.05.2023	Train the Trainer, Competency Meeting PDC	PDC Ihub Workshop for Competency
05.15.2023-05.16.2023	GenCyber Spring Meeting, Maryland	Cybersecurity Center presented at the meeting on "fostering relationships"
05.17.2023	Competencies National Center Meeting, Maryland	CAE Hosted and attended
05.19.2023	David Ambroz, Amazon Visit	Center Tour
05.19.2023	Competency Development: Leadership Meeting	Working group to developed competency guidelines, and write a book on competency
05.21.2023-05.27.2023	CHIRP Summer Institute UTEP(Tentative)	CHIRP Fellows and Cybersecurity Center Staff attended an invitation only Expo with Space Systems Command
06.05.2023-06.7.2023	NICE Expo, Seattle	Dr. Tony Coulson and Dr. Vincent Nestler Attended the NICE Conference and Cybersecurity Center staff and students assisted in hosting the conference
06.08.2023-06.09.2023	10th Annual CAE Symposium	Cybersecurity Center Planned, contracted, hosted and presented at the 10th annual CAE Symposium. https://www.caecommunity.org/cae-symposium-2023
06.11.2023-06.16.2023	GenCyber 2023	GenCyber 2023 is a week-long camp for rising seniors from the Inland Empire region. Hosted at CSUSB's San Bernardino campus, the camp offers cyber courses, outdoor activities, and career development opportunities. The focus is on cybersecurity awareness, training, and mentoring to inspire students' interest and competence in the field. This year's theme, "Finding Your Cyber Career," introduces students to various cybersecurity professions and connects them with local employers through career mentorship sessions. The camp aims to develop students' knowledge and application of cybersecurity principles through activities such as networking, digital forensics, ethical hacking, and physical challenges. A 5 day event
06.16.2023	Competency Development: Leadership Meeting	Working group to developed competency guidelines, and write a book on competency
06.27.2023	Workforce Readiness Workshops: Planning Meeting	The IECI Program Coordinators and Tomorrow's Talent have organized a virtual meeting to have an extensive conversation about the preparations for Cohort Two of the IECI Apprenticeship and the Employer Readiness Training program. The main goal of this meeting is to ensure that students are well-prepared and equipped for upcoming events related to their apprenticeship endeavors.
06.28.2023	CSUSB IECI, RCC, & MVC Articulation Meeting	IECI Program Management & Admin, IDS staff / faculty, RCC staff/faculty, and MVC staff/faculty will convene a meeting to delve into the details of the articulation agreement between CSUSB and RCC / MVC.
07.10.2023	GenCyber Debriefing Meeting	Participating administrative and supportive parties of GenCyber will be holding a zoom meeting to review the weeklong camp, address any pending tasks, and potentially discuss plans for next year's GenCyber cybersecurity camp, among other topics.
07.11.2023	SBCCD Workforce Development Meeting	IECI Program Admin and Avi Nair (SBCCD) will be meeting at CSUSB Jack Brown Hall, JBH 277, to discuss outreach methods and opportunities with the community colleges, specifically focusing on how to engage with them effectively.

07.18.2023	CSUSB & Robert Half IECI Check-In	IECI Program Admin and Robert Half are set to hold a virtual meeting to discuss the course list, their partnership with CSUSB, and to introduce the new Cybersecurity Program Coordinator.
07.19.2023	Workforce Readiness Workshops: Planning Meeting	IECI Program Admin and Tomorrow's Talent will have an in-person meeting to continue the discussion on IECI Apprenticeship Preparation for Cohort Two and Employer Readiness Training, with the goal of preparing students for upcoming events. The meeting is scheduled to take place at CSUSB Jack Brown Hall, JBH 277.
07.21.2023	Competency Development: Leadership Meeting	Working group to developed competency guidelines, and write a book on competency
07.23.2023-07.25.2023	CySP Bootcamp, DC	
07.27.2023	CSUSB & Robert Half IECI Check-In	CSUSB's IECI program reconnects with Robert Half to continue discussions on the future of CSUSB apprenticeships with RHI, CSUSB's cyber apprenticeship required course list, and partnership projections with CSUSB/RHI.
07.27.2023	IWR/LAUNCH Apprenticeship Planning Meeting	CSUSB's Institute of Water Resiliency (IWR) and Cybersecurity Center meet with LAUNCH to discuss the future of CSUSB water apprenticeships in collaboration with cybersecurity.
08.01.2023-08.02.2023	CyAD (NCyTE) (previously 3CS)	
08.02.2023	The Coyote Experience Planning Meeting	This is an in-person meeting with First Year Programs and ASI to plan and discuss, "The Coyote Experience" which is a student event that will be happening on August 22nd.
08.06.2023-08.08.2023	CyberEd	Dr. Tony Coulson and Dr. Vincent Nestler attended the CyberEd Conference hosted by CAE partners Townsend Community College and presented.
08.07.2023	CHIRP SSC Presentations	CHIRP Scholars present out to Cybersecurity Center, PNNL and SSC
08.09.2023	IWR & LAUNCH Internal Apprenticeship Planning Meeting	CSUSB's Institute of Water Resiliency (IWR) and Cybersecurity Center meet internally to discuss the future of CSUSB water apprenticeships in collaboration with cybersecurity.
08.10.2023	Southern California Apprenticeship Network (SCAN) Monthly Meeting	CSUSB accepts invitation to attend the Southern California Apprenticeship Network (SCAN) monthly meetings to engage their forum where business, government, educators, workforce boards, community-based organizations, labor, and other interested parties can come together to share information, access resources and work together to grow apprenticeship programs across Southern California and the State.
08.10.2023-08.13.2023	Defcon	Dr. Vincent Nestler along with SFS students attended the Conference in LV, Nevada
08.16.2023	CSUSB IECI Articulation Meeting with RCC & MVC (continued)	IECI Program Management & Admin, IDS staff / faculty, RCC staff/faculty, and MVC staff/faculty will convene to further discuss the articulation agreement between CSUSB and RCC / MVC via Zoom.
08.16.2023	Cyber Club Preparation Meeting	The Cyber Club Preparation meeting brought together the Cyber Intelligence Security Organization (CISO), the Women in Cybersecurity Club (WiCyS), and Outreach Coordinators from the Cybersecurity Center to strengthen collaboration and plan for the upcoming activities. During the meeting, this year's club officers will be introduced, and the onboarding process for new members is going to be discussed, emphasizing the importance of website sign-up, club dues, and additional areas of concern to make this upcoming semester and school year as successful and impactful for the students.

08.22.2023	The Coyote Experience	Tableing: The Coyote Experience is an event for first year, transfer, and PDC students for the purpose of getting the students that are new to CSUSB to get more acquainted with not just the campus, but the programs, clubs, and their respective colleges and departments. The Experience ends with a tradeshow that allows students to interact and get early involvement with different parts of campus.
08.22.2023	CSUSB Cyber Apprenticeship Information Session	CSUSB is now supporting paid cybersecurity apprenticeships! A collaboration between K-12 schools, community colleges, and industry partners has made it possible for students to earn money securing a cyber career while still earning their degree! The CSUSB Cybersecurity Apprenticeship information session will discuss how to take advantage of tuition assistance, credit for work, and the many benefits of cyber apprenticeship available in the Inland Empire.
08.25.2023	Late Night @ The Rec	Tableing: Late Night is an event associated with CSUSB's Weeks of Welcome into the 2023-24 academic year. During this event, students, faculty, and staff receive free attendance (with the condition of a verified wristband worn at all times) and enjoy a night of food, games, music, and information regarding student organizations available on-campus. CyberSquad will be representing CISO to promote cybersecurity awareness and invite more individuals to join the clubs.
08.25.2023	Competency Development: Leadership Meeting	Working group to developed competency guidelines, and write a book on competency
08.28.2023	Pete Aguilar Staff & Lab Tour	<p>On Monday, August 28, CSUSB's Cybersecurity Center welcomes staff members from Congressman Pete Aguilar's office, Legislative Aide Sarah Osuna and Birdie Aguilar, to the cybersecurity student research lab for a special tour and introduction to the university's esteemed cyber scholars.</p> <p>CSUSB's cyber clubs, Cyber Intelligence & Security Organization (CISO) and Women in Cybersecurity (WiCyS) showcase their remarkable achievements and demonstrate the cutting-edge cyber projects students are exploring this year.</p> <p>Congressman Pete Aguilar's invaluable contributions through legislative efforts continuously have a significant impact on the investments in the advancement of CSUSB's cyber program and CSUSB cybersecurity student opportunities.</p>
08.29.2023	IWR/LAUNCH Apprenticeship Planning Meeting Follow-Up	CSUSB's Institute of Water Resiliency (IWR) and Cybersecurity Center meet internally to discuss the future of CSUSB water apprenticeships in collaboration with cybersecurity.
08.31.2023	IECI Cohort 2 Selection Committee Meeting	The CSUSB Cybersecurity Center will be hosting our IECI Cohort 2 Selection Committee Meeting Thursday, August 31st at 11:00 AM. Representatives from LAUNCH, Tomorrow's Talent, employers, CSUSB cyber students, IECI Cohort 1, and the three participating community colleges are invited to convene and select the final 15 applicants from the Cohort 2 pre-apprenticeship program.
