Transfer 

\* To receive articulation credit and/or to request course substitution(s), submit an official transcript from the institution attended reflecting a grade of “B” or better in the courses to be used for substitution to the program coordinator.

- Step 1: After completing the Program Requirements with passing grades, submit this form with your signature to the program coordinator.
- Step 2: Once the program coordinator approves it, submit the approved program plan along with all documents verifying the additional requirements to the [Credential Processing Office](#) to clear your preliminary credential in the subject.
- Preliminary Credential: While it is possible to take the required program courses without having your preliminary DS credential, you can only clear your credential after obtaining the preliminary DS credential. Please contact the [Credential Processing Office](#) for assistance with your application.
