## CHAMBER SINGERS

**D**id you sing in your high school or middle school choir, and you really enjoyed the teamwork and fun of making music together? At CSUSB, singing can still be a part of your academic life! We want you to sing with us, and you don't have to know how to read music to sing in some of our ensembles. Are you kind of curious? Read on, and get ready to join us!

**CHAMBER SINGERS** The CSUSB Chamber Singers is a mixed (SATB) ensemble that performs primarily unaccompanied repertoire, with an emphasis on modern pieces and premieres of new choral works in partnership with living composers, and composition majors within the music department. This group focuses on extended vocal techniques, and modern themes. CS rehearses TTh 10:30AM-11:45.
