IMPORTANT REMINDERS ABOUT RESOURCES!

PRINTING

the University Honors Program is fortunate in being able to offer its students free printing within limits! We want to emphasize that this printing privilege is for Honors students only. Please follow these guidelines to ensure we can keep offering this service all semester long! Once we are out of ink, we are out, and it will not get refilled til the Fall 2025 semester.

1. Students are allowed to print up to 10 pages a day maximum
2. Students must only print in Black & White, NO COLOR

INCUBATOR

We want to remind all students to please be conscious that the Incubator is a public space, and at the entrance of the Honors space where a plethora of different people may wander through such as administration, prospective students, and so on. So, we ask to please be mindful with the behavior that takes place! Please refer to the Incubator Etiquette listed in the space!

SCANTRONS

The UHP offers free scantrons for all Honors students. If you wish to grab one of these, please see the staff at the front desk!
